

## ORDINANCE NO. 149556

An Ordinance amending the FY 1979-80 City Budget by decreasing the General Fund appropriation to the Human Resources Bureau, AU 380, in the amount of \$25,250, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The City was informed in a letter dated June 25, 1979, from the State Office of Elderly Affairs that the allocation from Oregon Project Independence was decreased from the FY 1978-79 funding level and would not be sufficient to maintain protective services during FY 1979-80.
2. Pursuant to Ordinance No. 147721, the City submitted a plan to the State Office of Elderly Affairs for aging services in Portland/Multnomah County for FY 1979-80, which discontinued protective services for FY 1979-80 because of a decrease in allocation of Oregon Project Independence funds.
3. By action of City Council, the FY 1979-80 City Budget includes funds in the amount of \$25,250 to use for a transition period of three months to make other arrangements for active clients for whom protective services would not be continued under a City contract if the FY 1978-79 level of funding for protective services were not maintained.
4. Subsequently, the State Office of Elderly Affairs increased the allocation of Oregon Project Independence funds to allow maintenance of protective services.
5. It is, therefore, appropriate that the FY 1979-80 City Budget be amended by decreasing the General Fund appropriation to the Human Resources Bureau in the amount of \$25,250 unexpended due to receipt of Oregon Project Independence funds.

NOW, THEREFORE, the Council directs:

- a. The FY 1979-80 City Budget is hereby amended by decreasing the General Fund appropriation to the Human Resources Bureau, AU 380, in the amount of \$25,250, in the following manner:

GENERAL FUND

Transfer from:

Unforeseen Reimbursable Expenditures

[\$25,250]

## ORDINANCE No.

HUMAN RESOURCES BUREAU

Transfer to:

BUC No. 38601661.260

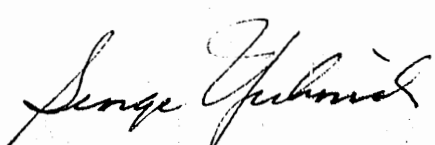

[\$25,250]

Section 2. The Council declares that an emergency exists because delay in enactment of this Ordinance will result in the continued issuance of inaccurate public accounting records; therefore, this Ordinance shall be in force and effect from and after passage by the City Council.
