Hi Paola,

Community members are only allowed to sign up for communications once a month. You can provide unlimited testimony on specific agenda items (first readings of ordinances and resolutions) by signing up via the online agenda but communications are only offered once per month, per community member. I'm sorry for not providing that information initially. Would you like to register for May 19th or May 26th?

Thank you! Have a great day.

Subject: Wednesday's City Council Meeting Request

Hello Tristan,

Thanks for helping getting me signed up for yesterday's City Council meeting. I'd like to request to speak again at the next available meeting so that I can follow up on yesterday's. My goal is to speak *as much as possible*, and I've cc'd two friends who are also interested in making their voices heard too.

Please advise on the next date, or how best to accomplish this task.

Thank you Tristan!
