Subject: Don't hurt the South Park Blocks trees!
Date: Wednesday, June 9, 2021 5:48:44 PM

Hello there,

I love the South Park Blocks just as they are. I especially love the magnificent trees. These trees should be maintained and not allowed to become unhealthy. Please vote no on the SPB Master Plan when it comes to City Council unless it can be drastically revised.

Separate from the Master Plan both

1) the Tree Succession Plan (so a maintenance plan can be included!) and 2) the Green Loop to allow separate processes for those major projects.

They are too important to be buried in this Master Plan.

Thank you.

Sincerely,
Amy "Taj" Baker
