Subject: PBB Master Plan South Park Blocks
Date: Friday, June 11, 2021 11:59:07 AM

Please vote no on the SPB Master Plan when it comes to City Council unless it can drastically be revised. It would be a travesty to eliminate 25% of these magnificent trees, remove the rose gardens, and replace the trees with pavement. The SPB serves our neighborhood well and the monies would be better spent to upgrade the parks in East Portland.
