Subject: No to SPB Master Plan/Save Trees South Park Blocks
Date: Sunday, June 13, 2021 9:41:32 PM

Hello,

My partner and I love the South Park Blocks just as they are, especially the magnificent trees. These trees should be maintained and cared for as an essential part of our city. Please vote NO on the SPB Master Plan when it comes to City Council unless it can be drastically revised.

Please separate from the Master Plan both 1) the Tree Succession Plan (so a maintenance plan can be included!) and 2) the Green Loop to allow separate processes for those major projects. They are too important to be buried in this Master Plan.

Thank you.
