**Subject:** south park blks plan is wrong  
**Date:** Saturday, July 3, 2021 6:54:23 AM

---

hi,

this letter to the editor is today's oregonian spells out how wrong your plan is

pls toss it out and lv it alone

this week exemplifies how climate change is here now....

your tree code is broken among other pressing problems...

sorry but portland used to be green, and valued our canopy...

thx

teresa mcgrath and nat kim
