Emergency Ordinance

***Authorize Intergovernmental Agreement with State of Oregon Department of Education, Youth Development Division for Portland Opportunities Industrialization Center + Rosemary Anderson High School Work Opportunities Training Internship Program not to exceed \$82,400**

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland has a history of investing in young people through funding of recreational and after-school activities, youth employment programs, and creating seasonal job training, work experience, internship and job shadow opportunities. City Council previously approved funding for youth employment and career preparation as part of the Summer Youth Employment Program (SYEP) under Ordinance No. 180874, 181765, and 182138, which subsequently Council directed to the Summer Youth Connect/SummerWorks Employment Program coordinated by the Mayor's Office under Ordinance No. 182811, 185998, 186648, 188535 and 190097.
2. While SummerWorks is one avenue to engage youth and create opportunities, our focus is to create more flexible pathways for youth to access support and opportunities to better accommodate youth that face the more challenging barriers thus leading to successful outcomes. The Community Outreach and At-Risk Youth Intervention Program (Youth Connect) specifically targets the most vulnerable and affected youth population by coordinating with Youth Provider Agencies, Street Level Gang Outreach Program and the Gang Impacted Family Team.
3. The City would collect grant funds from the State of Oregon acting by and through its Department of Education, Youth Development Division from monies available through its U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP)
