Please approve your resolution on Boycotting Texas. We don't need your Communist/Socialist dollars in Texas. We believe that "All Lives Matter"!! We don't believe in tearing a child limb from limb from the womb because a woman was not responsible enough to practice responsible birth control. Planned Parenthood is nothing but a way to kill infants in the womb to make the organization wealthy. It has nothing to do with women's health other than a "cover" for their real purpose... Murder for Dollars. We love Oregonians but Portland "STAY HOME"!!

The Pride of Texas
