Dear Portland City Council

I want to thank you for the issues you have with Texas and also thank you for the respect that you have with women and wanting them to have choices.

I also would like to mention that in all of my years, 70 plus, when in the position of having to work or become socially involved with Texans I have only liked one. I do give her credit for that.

Thank you once again and I do live in Longview WA. but like to be on top of the news.

Regards,
