Emergency Ordinance

*Amend Bureau of Transportation Administration Code to clarify purpose, organization, vision and mission, duties, and administrative rules and procedures to better align with current practices and policies (amend Code Chapter 3.12)

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Bureau of Transportation (PBOT), along with partner bureaus, continually seeks to improve its processes to provide the best possible services to residents of the City of Portland. The bureau's overall goals and practices are governed by City Code *Title 3 Administration*, which requires updates to better reflect bureau policies and practices.
2. The changes to *Chapter 3.12 Transportation* clarify the purpose, organization, vision and mission, duties, and administrative rules and procedures of PBOT. Previously, these sections were condensed into the organization section and provided minimal explanation as to the duties and practices of the bureau. These changes seek to create a better overview of PBOT as established in the various strategic plans, master plans, and other policies the bureau has published.
3. The code changes can be viewed in Exhibit A.

NOW, THEREFORE, the Council directs:

- A. Amend City Code Chapter 3.12 as shown in Exhibit A.

Section 2. The Council declares that an emergency exists because failure to adopt will inhibit PBOT's rulemaking ability and authority; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
