Passed

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Bureau of Transportation's Development Review Division seeks to foster equitable and efficient development across the City of Portland. The proposed updates are relating to the permitting and conditions of driveways.
2. The changes to City Code Chapter 17.28.110 build upon the existing structure by codifying refinements consistently applied over the years and provide clear and objective requirements in the Code.
3. The authority to safeguard driveway design and the exception process to vary from these standards remains the same.
4. The proposed changes include the incorporation of language currently under Section 17.28.100 (Driveways Defined) into the updated Section 17.28.110 (Driveways – Permits and Conditions). The existing section 17.28.100 will be repealed. The current version of Section 17.28.110 will be replaced by the new language shown in Exhibit A.
5. Transportation Administrative Rule TRN-10.40 (Driveways on Arterial Streets) will be updated and renamed TRN-10.40 - Driveways – Permits and Conditions to reflect the revisions to the above Section 17.28.110 code changes. The proposed changes are shown in Exhibit B.
