Presenter name: Lisa Patterson

Purpose of proposed legislation and background information:

- The ordinance will approve an IGA with the Oregon Department of Transportation for the Jade and Montavilla Multimodal Improvement project for Right of Way Services.
- Council approved an IGA to fund the Jade and Montavilla Multimodal Improvements Project, this agreement will allow the Oregon Department of Transportation to provide oversight of the Right of Way acquisition process as required by federal regulations.

Financial and budgetary impacts:

- No long-term financial impacts or changes to City policy or budget are required.
- The project is currently in the Bureau of Transportation's budget (SAP Cost Object Number: T00710).
- The agreement includes an allowance for a \$10,000 payment to the Oregon Department of Transportation out of project funds.
- There is no additional funding requested.

Community impacts and community involvement:

- To date, the project has not yet had any public involvement. To aid in the refinement of the proposed scope of work there will be a pre-design phase that will include public involvement.
- Given the nature of the proposed improvements, which includes primarily sidewalk infill, street improvements, and neighborhood greenway improvements, negative community impacts are not anticipated.
