CITY OF PORTLAND/HUMAN RESOURCES BUREAU SOCIAL SERVICES DIVISION CONTRACT REIMBURSEMENT PROCEDURES

Reports are due monthly on the fifteenth (15th) working day following the end
of the month. Reimbursement request shall be mailed directly to the Accounting
Unit:

Human Resources Bureau Social Services DIvision Accounting Unit 522 S.W. Fifth Ave., 8th Floor Yeon Building Portland, Oregon 97204

- 2. Reports not received by the deadline shall not be processed until the next month. This will result in a delay in payment.
- 3. City forms must be used. If additional forms are needed, please contact the Accounting Unit (248-4752).
- 4. Materials to be submitted each month are as follows:
 - a) A separate Reimbursement Request Form for each funding source and each service category requiring City reimbursement as included in the approved contract budget.

 e.g. -- I & R -- III-B

Admin. -- OPI
Admin. -- General Fund
Meals -- III-C-1
General Fund
Other

- b) A Reimbursement Request Form for Required Match, as included in the approved budget.
- c) A Reimbursement Form showing Project Income/Contributions collected.
- d) A Reimbursement Form showing total City reimbursement.
- e) Supporting documentation showing proof of payment (attached to respective Reimbursement Request Forms). This may include:

copies of checks copies of bills payroll register etc.

5. Supporting documentation is to be attached to each request form, including the Required Match (copies of documentation are not necessary for the Total City Reimbursement).

For each request form, documentation is to be grouped by line item. (Attach adding machine tape to each group of supporting documents.)

Please Note: For purposes of fiscal reporting, <u>Match</u> included in the contract requires the same documentation as <u>City Support</u> requested.

- 6. If a piece of documentation is applicable to more than one funding source (or match), write on the supporting documentation how much is to be applied to each funding source/service category.
- 7. The "indirect cost" line item may be used to cover any costs incurred in support of the services included in the contract. Documentation/proof of payment must be submitted for each reimbursement requested.
- 8. Grant or Agency policy <u>requires</u> that expenditures be reported in dollars and cents. DO NOT ROUND TO THE NEAREST DOLLAR!
- 9. Reimbursement requests must be typed or written in ink.
- 10. Reimbursement Request Forms must be signed in ink by an authorized person designated by the Agency. Each agency must submit to the City the names of all persons authorized to sign these reports. The Agency is responsible for notifying the City in writing of any changes in authorized signatures.
- 11. The reimbursement request must be made against the current authorized contract. Each agency is responsible for notifying appropriate personnel of budget changes.
- 12. Incomplete or incorrect Reimbursement Request Forms will be returned to the Contractor for completion or correction.
- 13. Match expenditures will be analyzed quarterly as part of the monitoring procedures. Corrective action plans will be developed if necessary to assure contract compliance.

Corrective action may include: withholding of funds, suspension, or termination of the contract.

If match is not produced in accordance with the approved contract by the third (3rd) quarter of the budget year, the City will reduce its contribution to maintain the established ratio of shared costs. (For AAA District Centers, this ratio is a minimum of 90/10 City/Agency share for Discretionary Services. For other contracts, the level of required match has been negotiated.)

- 14. Upon receipt of completed reimbursement forms, the Accounting Unit staff reviews the request for accuracy and compliance with the approved budget, prepares payment authorization, and submits the reimbursement package to the Program staff.
- 15. Program Staff reviews the package and signs off, if request complies with regard to appropriate service delivery. Reimbursement request will be held until Program reports are received.
- 16. Principal Accountant reviews the package, approves payment, and forwards the package to Accounts Payable at City Hall.

- 17. Accounts Payable reviews the package, approves payment, and processes the package for the computer to fill out the warrant (check). Computer runs are made every Tuesday and Thursday evenings.
- 18. Checks are returned to Accounts Payable for verification of computer run.
- 19. The computer run is forwarded to the Auditor's Office for auditing and release (mailing) of the warrant.
- 20. Total estimated turnaround time is two weeks from the time a completed package leaves the Human Reources Bureau. HRB staff can usually complete its work within two days, if the requests are complete and correct, and program reports have been received.
- 21. In the event of an emergency or other unusual circumstances, as approved by the Principal Accountant, a manual warrant may be issued within 72 hours. A manual warrant process will not be utilized on a regular basis.

We hope that these procedures will clarify what is expected of Agency staff in the filling out and processing of these documents. If you have any questions or need further information, please feel free to call the Accounting Unit or Social Services Contract Management staff at 248-4752.

PROCEDURE:

A. Initiated by City:

 The City shall inform the Contractor in writing what and why changes are required, what information (if any) is needed from the Contractor to make such changes and what modification procedures will be utilized.

- 2. City staff shall be responsible for obtaining necessary materials from the Contractor or shall prepare revised materials (to include revised contract or project applications pages) and amendment form, as necessary.
- Contractor shall review material and indicate approval formally or informally.
- 4. If an Ordinance is required:

-City staff shall prepare and file Ordinance

-City shall notify Contractor of action on Ordinance
-If authorized by City Council, Contractor shall sign
three (3) copies of amendment (if not already signed)
and return to designated City office

-City staff shall obtain necessary City signatures
-Amendment goes into effect when both parties have
signed and the changes are documented in the City
Auditor's Office

-Fully signed copy shall be returned to the Contractor

5. If change order procedure is utilized:

-City staff shall prepare change order

-Program Staff, Accountant, Division Manager, HRB Executive Director, and Commissioner-in-Charge shall review and indicate approval

-Contractor shall sign Amendment and return to City

-Amendment goes into effect when City and Contractor signatures are obtained

B. Initiated by Contractor:

- 1. Contractor shall submit a letter to the Unit Director requesting modification. This letter should contain the following information:
 - a. Specific changes desired (e.g. increase printing by \$500, decrease local travel by \$200 and decrease office supplies by \$300).
 - b. Reason or need for changes (e.g. the newsletter mailing list has doubled so more copies are printed; counselors are carpooling in an effort to save gasoline).
 - c. Statement regarding how these changes will affect the provision of services (e.g. line item changes are more consistent with actual spending patterns and services will continue to be delivered as specified in the contract).

The Contractor shall prepare revised project application pages as follows:

a. BUDGET CHANGES

, (1) Budget Worksheet

The <u>budget worksheet</u> must include the following columns for each funding source to be modified:

current
+ or revised

If the contract includes a funding source which is not to be modified, a column must be included for this current breakdown.

If the contract includes more than one funding source, the budget worksheet must also include columns for the following:

current total
total + or - (omit if only 1 funding
revised total source changes)

The <u>budget worksheet</u> must include the name of the contract agency and the contract number in the upper left hand corner.

The <u>budget worksheet</u> must include the date of the revision in the lower right hand corner (this date should correspond with the date of the letter requesting the modification).

(SEE SAMPLE)

(2) Budget Justification Sheets

A full set of original budget justification sheets must be submitted, showing the total justification as revised. It is not necessary to show + or - on the justification sheets.

The budget justification forms should be consistent with the budget worksheet columns for the revised funding for each source and for the revised total.

Even if a budget justification sheet does not change, a new original must be prepared (e.g. pink sheet, typed original) to meet the contract requirements of the City Auditor's office.

Each budget justification sheet must be completed in full:

DATE - date of revision request (put this new date even if no changes were made on a particular page.

 $\ensuremath{\mathsf{PROJECT}}$ NUMBER - contract number assigned by the $\ensuremath{\mathsf{City}}.$

PROJECT TITLE - name of agency and service (if there are multiple contracts with the Human Resources Bureau e.g. PACT Senior Service Center).

(3) Miscellaneous Comments on Budget Changes

All changes shown on the budget worksheet or the budget justification pages should be addressed in the letter requesting the modification.

A modification is <u>not</u> required for any line item changes in materials and services in which that line will not be over-expended by 5% of the line item or \$1,000, whichever is less. Formal modification is not required for lines which will be underexpended.

e.g., if line 420 in the contract is \$1,000 and if there is an expected overspending of \$48, a contract modification is not required because \$48 is less than 5% of \$1,000.

If this \$48 will come from line 310 office supplies, no change is required because you will simply underspend line 310 by \$48.

Any changes in staff positions (increase in salary, change in % of time or number of months on project) requires a modification. A modification is not necessary if an individual is being paid at a lower <u>rate</u> of pay for a given position.

If an authorized position is to be filled by a different person, please notify the City accountant to assist in speedy processing of your invoices. A contract modification is not required.

b. SERVICE CHANGES

(1) OBJECTIVES - (Project Narratives, Section 3)
A revised objective section should be submitted showing the revised number or type of services to be provided or the revised period in which services will be provided.

(The need for these changes and the impact should be discussed in the letter requesting the modification).

(2) ACTIVITIES - (Project Narrative, Section 4)

Revised activities pages must be submitted only if changes are made. These activity pages will be used as a basis for monitoring the provision of services, so they should reflect current practices and procedures.

c. OTHER PROGRAM OR MANAGEMENT CHANGES

Other program or management changes will be handled on a case by case basis. Consult the City Staff responsible for contract development for specific requirements.

- 3. Contractor shall submit letter and revised pages as described above to Human Resources Bureau Unit Director.
- 4. Social Service Unit staff shall review the request for completeness and impact and shall make a determination about which modification procedure shall be utilized.
 - a. If Unit Staff supports the requested change and if an Ordinance is required, City Staff shall prepare the contract amendment prepare the ordinance and complete the regular Human Resources Bureau ordinance review process. If authorized by City Council, the Contractor shall sign 3 official copies and return to the City for City signatures and processing. A signed copy will be returned to the Contractor.
 - **b.** If unit staff supports the request and if a change order is to be used, City staff shall prepare the change order.

The contract change order along with the letter of request and modified pages shall be submitted for review and approval to our Accountant, Manager of Social Services, Human Resources Bureau Executive Director and the Commissioner-in-Charge.

If approved, the original change order shall be filed in the City Auditor's Office. Copies shall be provided to the Contractor, the Fiscal Unit and the responsible Program Unit.

The Contract change order becomes effective when all City signatures have been obtained.

c. If Unit Staff does not support the request, the Contractor shall be notified. The request may be denied or additional information or documentation may be requested.

SCHEDULE OF MODIFICATIONS

Contract modifications will be accepted within 30 days of receipt of completed quarterly progress reports or at other times as directed or approved by the responsible Program Unit.

PROJECT NARRATIVE

1. <u>Summary of Project</u>

Describe in 300-400 words the project plan presented in this application. The summary should be able to stand by itself as a clear and complete description of the project.

Address:

- Statement of Problem (Provide a concise description of the conditions and problems to be addressed by the project. Use quantifiable, measurable terms.)
- Project Goals (State the intent of the project to change, reduce, or eliminate the problem(s) identified above.)
- Strategies for Delivering Services (Describe the general approach to meeting the goals stated above.

STATEMENT OF PROBLEMS

Elderly persons often experience a wide array of problems related to the physical and financial decline associated with old age. Many elderly persons who remain in their own homes suffer from neglect because they do not utilize available community resources to meet their needs. Others, who are institutionalized prematurely, would be provided essential services in their own homes at a lower cost to the community.

Federal guidelines direct that priority shall be given to services which meet the needs of older persons who encounter social and economic barriers. Local and national studies show that elderly individuals who are older, low-income, and more socially isolated tend to be at higher risk of institutionalization than the general aging population. 1970 census data indicates that in the Northeast Aging Services District there are 8,760 residents age 60 and over; of these 2,621 are age 75 and older. Of persons age 65 and over at least 1,100 have incomes below the poverty level, 2,099 live alone, 37 are minority, and 17 live in group facilities. This totals 14,634 need units which comprises 8.64% of the total need in Portland/Multnomah County.

Community needs are identified and prioritized by the following methods:

1. The Advisory Council in open public meetings.

2. Staff development through client contact and input and regular staff meetings.

3. Information and referral documentation as to frequency of request each month and unmet needs reported.

PROJECT GOALS

To ensure reasonably convenient access to information and referral services and social contact opportunities for all older persons in the aging service area and to provide supportive services within the community to maintain independent living situations for mentally and physically impaired elderly persons in the Northeast Aging Services District.

STRATEGIES FOR DELIVERING SERVICES

Hollywood Senior Center uses a three level approach to services.

On the first level the Center acts as a focal point for older people in the Northeast Community for social, educational, and recreational opportunities, information about services and local events, health screening, income opportunities such as the active consignment store and frequently used job board and volunteer opportunities of all types.

On the second level the Center acts as a broker for services needed by the older population of the district. There is a steady stream of requests for services of all kinds. As needs are identified community resources including the Hollywood business community are mobilized to meet those needs.

On the third level the Hollywood Senior Center acts as an active and cooperative partner in the network of aging services coordinated by the Area Agency on Aging. In accordance with the federal guidelines the services provided on this level are targeted to a frail elderly population and are focused on maintaining people in their own homes rather than being institutionalized prematurely. These special services include case management, transportation scheduling, counseling, advocacy, outreach, individual needs assessment, education and recreation.

By providing a three leval approach, elderly persons can become familiar with the agency while they are still requiring a minimum of support. As they require more assistance and have more needs they are able to move from one level to another with a maximum feeling of continuity and trust.

Hollywood Senior Center

Service Area, Target Population and Eligibility Criteria for Services: (Describe the service area to be covered by this project and the target population for each service to be provided. Explain how each target population will be identified. State the eligibility criteria to be utilized for each service provided and the method for appeal or exception).

Service Area: The Hollywood Senior Center will provide services to elderly residents in Northeast Portland in the following census tracts: 17.02, 27.01, 27.02, 28.01, 28.02, 29.01, 29.02, 29.03, 74, 75, 76, and 77. Individuals residing outside the area can be served only with the express approval of the Area Agency on Aging Contract Unit (see waiver procedures) and with the knowledge and approval of the contractor for the service area in which the individual resides.

Target Population: These elderly individuals 60 years of age and older who are functionally impaired and resource limited to the extent that services are necessary to maintain independent living are a priority to access and array of AAA services. Case management is provided for low income persons, age 60 and older, who have age related or age intensified physical and/or mental impairments which make premature or inappropriate institutionalization more likely. Case management clients are given priority for services within the AAA service delivery system.

Eligibility Criteria: Services such as information and referral, outreach, individual assessment, advocacy, crisis/emergency services, recreation and education are provided to residents of Multnomah County who are age 60 and older without eligibility limitations. Eligibility for case management, escort, transportation, friendly visiting, chore/home maintenance, shopping assistance, counseling, housekeeping and money management is established through a needs assessment performed by a trained staff person which determines: 1) that the individual is in need of services to sustain independent living; 2) that the individual is not eligible for those services from another agency legally responsible for their provision; 3) that the individual does not have friends or relatives able and willing to provide the services for him/her; 4) that, net income levels not exceed 125% of poverty guidelines plus a 10% inflation factor (\$474/ month for single persons and \$629/month for couples). In exceptional circumstances and with express approval (see waiver request procedures) of the Area Agency on Aging Contracts Unit, services may be provided to individuals who do not meet all of the aging criteria.

4. <u>Center Organization</u> (Briefly describe the staffing pattern, operating hours, and official 'volidays. Pescribe safety and accountability procedures regarding center coverage and emergencies.)

The Director reports directly to the Board of Directors and has overall responsibility for the supervision of all paid and volunteer staff. He is also responsible for all Senior Center activities including recreation/education activities. A Senior Advisory Council advises the Director on day to day center activities and takes part in recruiting volunteers in conjunction with the Services Coordinator.

The Services Coordinator reports to the Director and maintains direct supervision over the information and referral, case management, and other social service programs. She supervises the staff of these programs. She provides back-up on information and referral services as does the Director, Case Management Specialists and trained volunteers. She also acts as volunteer coordinator in recruiting, training and scheduling volunteers who provide direct service.

Clerical tasks and office back-up are provided by volunteers and older workers through the SCSEP program under the supervision of the Director. All employees are selected in accordance with the current personnel and affirmative action policies. Supervision is maintained through the use of monthly work objectives and regular performance appraisals. The hours of operation are from 8:30 a.m. to 5:00 p.m. Monday through Friday. The paid holidays are: New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day Thanksgiving, and Christmas.

In case of an emergency (winter storm, etc.) the center staff will make every effort to keep the center open and accessible and to provide telephone coverage. Attempts will be made to establish contact with our at-risk frail elderly. If for some reason, the center has to be closed in an emergency, the AAA and Tri-County Community Council I & R will be notified.

5. Contracting Agency Involvement (Describe support services to be provided for this project. Discuss the role of the contracting agency in the areas of fund-raising, advocacy, and provision of support services to the Center program.)

Hollywood Senior Center was incorporated as a non-profit corporation in May 1973. Since then it has become, with rapidly increasing senior participation, an integral part of the Northeast Portland community. This has been accomplished through the provision of recognized services, an expanded schedule of social and recreational activities and the successful, self-supporting Senior Crafts Store.

Hollywood Senior Center has maintained a contract with the City of Portland since 1975. The agency has actively participated in the Area Agency on Aging linkage of services for the elderly.

With thesupport of local businesses and the local community, the center continues to have ongoing fund-raising events. The Hollywood Senior Center also raises funds through private contributions. The center provides support to the city contract through its other resources.

Because the Hollywood Senior Center has established its credibility within the community, senior citizens are familiar with our services and know we are available to act in an advocacy role to assist with problems facing individuals and the community.

6. Community Participation (Describe the citizen involvement in planning this project and the ways the community will be involved in the project's operation. Describe staff, Advisory Council, and Corporate Board relationships.)

Community participation has occurred on at least three levels:

- 1. The Senior Advisory Council meets monthly, has an active Executive Committee and elects its membership on an annual basis from the general membership. The Council advises the Director on aging activities and chooses a representative to serve on the Area Agency on Aging Planning/Advisory Committee. The Council actively recruits volunteers to assist in the expansion of activities and services.
- 2. The Board of Directors of the Hollywood Senior Center consists of area businessmen and senior citizens who reside in the local community.
- 3. Hollywood Senior Center takes an active part in the Hollywood business community, eliciting support for the project primarily from the Hollywood Boosters.
- 4. Volunteers are utilized on a routine basis to provide services to seniors.

7. Coordination (Describe the coordination of this project with other community organizations and statutory agencies in the service area. Briefly discuss program and service exchanges that may occur. Identify staff positions responsible for these activities.)

Hollywood Senior Center, Inc., works closely with many community agencies to maximize services to the frail elderly, to include the following:

- The Area Agency on Aging for training, information and funding assistance.*
- Tri-Met, Red Cross, FISH and Project Linkage for transportation services.+
- Metropolitan Family Services for housekeeper and homemaker 3. services.+
- All AAA contract centers for information sharing and client information.+
- Legal Aid, Oregon Legal Services and Hollywood Law Center for 5. legal services.+
- 6. Retired Senior Volunteer Program for the recruitment and
- monitoring of volunteer functions.*
 Multnomah County Health Department and Providence Medical Center 7. for technical assistance in the provision of health services.+
- 8. Social Security Administration for educational activities regarding that agency.+
- Loaves and Fishes for the provision of home-delivered and congregate meals.*
