Hon. Joseph Simon Esq  
Portland

Dear Sir:

Thanking you very much  
for your kind letter, I beg to state,  
that I have put my son beyond  
the reach of that woman,  
I hope however, that  
the chief of police, after finding my  
statements confirmed, could do  
some good work, to prevent further  
mischiefs of that provoker, there would  
be some satisfaction for me, in having  
led to that.

Respectfully,  
Silvany Miller

Eugene, Oregon,

My dear Sir:

Replying further to your valued favor, I beg to say that Chief of Police Cox advises me that after investigation, he is satisfied that Miss Douglas will keep your son away from her place, or at least refuse to see him or allow him admission to her house.

The Chief of Police will also adopt stronger methods than those yet taken if it becomes necessary.

Very truly yours,

Honorable Joseph Simon, Mayor,  
City Hall, City.

Dear Sir:

I am returning herewith letter of Mr. E. Schwarzchild with report of Captain Baty on the matter. As stated in Captain Baty's report Miss Douglas was interviewed regarding young Schwarzchild and has promised to keep him away from her place or at least to refuse to see him or allow him admission to her house. If it becomes necessary I will have Captain Baty take stronger steps although I am inclined to believe there will be no further trouble.

Respectfully,

---

Chief of Police.

Portland, Oregon,

July 31, 1909.

Mr. A. M. Cox,  
Chief of Police, City.

Dear Sir:-

I investigated the letter you handed me from his Honor the Mayor in regard to one Schwarzschild and Elsie Douglas.

Miss Douglas informs me that she will not permit or allow this young man to come to her house and has talked to his sister also his brother-in-law telling them to advise him not to come to her house, she also states that she talked with him over the telephone and warned him not to come.

She states that he may attempt to force his way into her house and in case he does, I will have a talk with him on the subject.

Yours most respectfully,

Hon. J. C. Simon Esq  
Portland

Dear Sir:

Allow me to ask you to assist me in protecting my son against the wiles of a woman, by the name of Elsie Douglas, who keeps a house of ill fame near the Custom house, on Davis street.

My son seems to be overworked and fell into the snares of this woman. He considers her a "psychological wonder" and has spent several hundred dollars on her already.

I am worried to death and my wife and daughters as well and we thought of you, when finding looking for a way out of this misfortune.

As a conservative and Mayor you might find some way of assisting a family who are very jealous for the good reputation they have always enjoyed.

My son is old enough, 28 years  
to know what he is doing, but  
it seems that he has worried  
himself into this matter and  
I cannot do anything with  
him.

Dear Sir, you are a lawyer  
and ~~an~~ true friend of humanity,  
thus every thing combined may  
enable you to do, what the  
distressed parents of a well meaning  
but apparently temporarily  
weak minded young man cannot  
perform. Your honor, will no doubt  
excuse this appeal.

Respectfully  
J. W. J. Schied
