An Ordinance increasing the resources and requirements of the 1981-82 budget to include a \$20,000 grant from the U.S. Department of Energy, authorizing the drawing and delivery of a warrant, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

- 1. That on April 15, 1981, the Council adopted Ordinance No. 151410 authorizing the filing of an application to the U.S. Department of Energy for the funding of audits for Portland homeowners who heat with oil but who have no regular oil dealer and are presently unable to obtain a free energy audit.
- 2. That on June 3, 1981, the Council adopted Ordinance No. 151682 authorizing the Mayor, on behalf of the City, to accept a grant award in the amount of \$20,000 and directing the Commissioner of Public Works to negotiate a contract with Portland Energy Conservation, Inc. to implement this grant agreement.
- 3. That on June 29, 1981, the City and Portland Energy Conservation, Inc. agreed to Contract No. 19533 to carry out the terms of the grant award.
