ORDINANCE NO. 151950

An Ordinance granting a revocable permit to H. A. Anderson Co. to close portions of the pedestrian mall which were, during the construction of the Blue Cross Parking Structure, transferred to the City of Portland by Ordinance No. 147584, at a fee of \$10.00, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. H.A. Anderson Co., 3427 N.E. Halsey Street, Portland, Oregon 97232, through Arland J. Anderson, has requested permission to close portions of the pedestrian mall under jurisdiction of the City of Portland granted by Ordinance No. 147584 in the South Auditorium Urban Renewal Project.
2. That the closure of the pedestrian mall is needed to provide for safe pedestrian passage along the remaining portion of the mall away from the construction of the Blue Cross Parking Structure.
3. That the plan for the closure of a portion of the pedestrian mall attached to this Ordinance as "Exhibit A" has been approved by the City Engineer, the Traffic Engineer, the Bureau of Parks, the Fire Bureau and the Police Bureau.
4. That the abutting property owner has given written permission for the closure of the pedestrian mall adjacent to his property.
5. That the desired closure, under certain conditions, will not be detrimental to the public interest.

NOW, THEREFORE, the Council directs:

- a. Conflicting provisions of the Code are hereby waived and a revocable permit is granted to H. A. Anderson Co. (permittee) to close a portion of the pedestrian mall adjacent to Tax Lot (12), Block A, South Auditorium Addition during building construction, subject to the following conditions:
 - (1) That the permittee is not granted, before, during or after, the use of the closed area of the pedestrian mall for storage of materials, placement of vehicles or construction equipment.
 - (2) That the granting of this permission will not waive any of the provisions of Ordinance No. 147584 attached to this Ordinance as "Exhibit B".

- (3) That the permittee shall make arrangements for the payment of street use fees as prescribed by the Bureau of Buildings.
- (4) That the permittee shall at his own expense provide signs, barricades, illumination and fencing as required by the City Engineer, the Traffic Engineer and the Bureau of Buildings.
- (5) This permit is revocable at any time at the pleasure of the Council and no expenditure of money or lapse of time, or other act or thing, shall operate as an estoppel against the City of Portland, or be held to give the permittee any vested or other right, upon revocation of this permit by the Council, the permittee shall remove the signs, barricades, illumination and fencing immediately and restore the pedestrian mall area as required by and to the satisfaction of the City Engineer.
- (6) The permittee shall hold the City of Portland, its officers, agents, and employees free and harmless from any claims for damages to persons or property, including legal fees and costs of defending any actions or suits, including any appeals which may result from the use of the mall area under this permit by providing evidence of insurance protecting the City of Portland, its officers, agents and employees as follows:
Bodily injury \$100,000 for one claimant and \$300,000 for one occurrence, property damage \$50,000 for one claimant and \$300,000 for one occurrence, said insurance to be kept in full force and effect at all times. This permit is automatically revoked without further action by the Council if this insurance is permitted to lapse, is cancelled or, for any other reason, becomes inoperative.
- (7) That this permit is for closure of the pedestrian mall only and shall not exempt the permittee from taking out any permits or complying with any ordinances relative to the use of the mall area.
- (8) Unless otherwise revoked, this permit shall expire upon the completion of all work associated with said structure by the permittee.

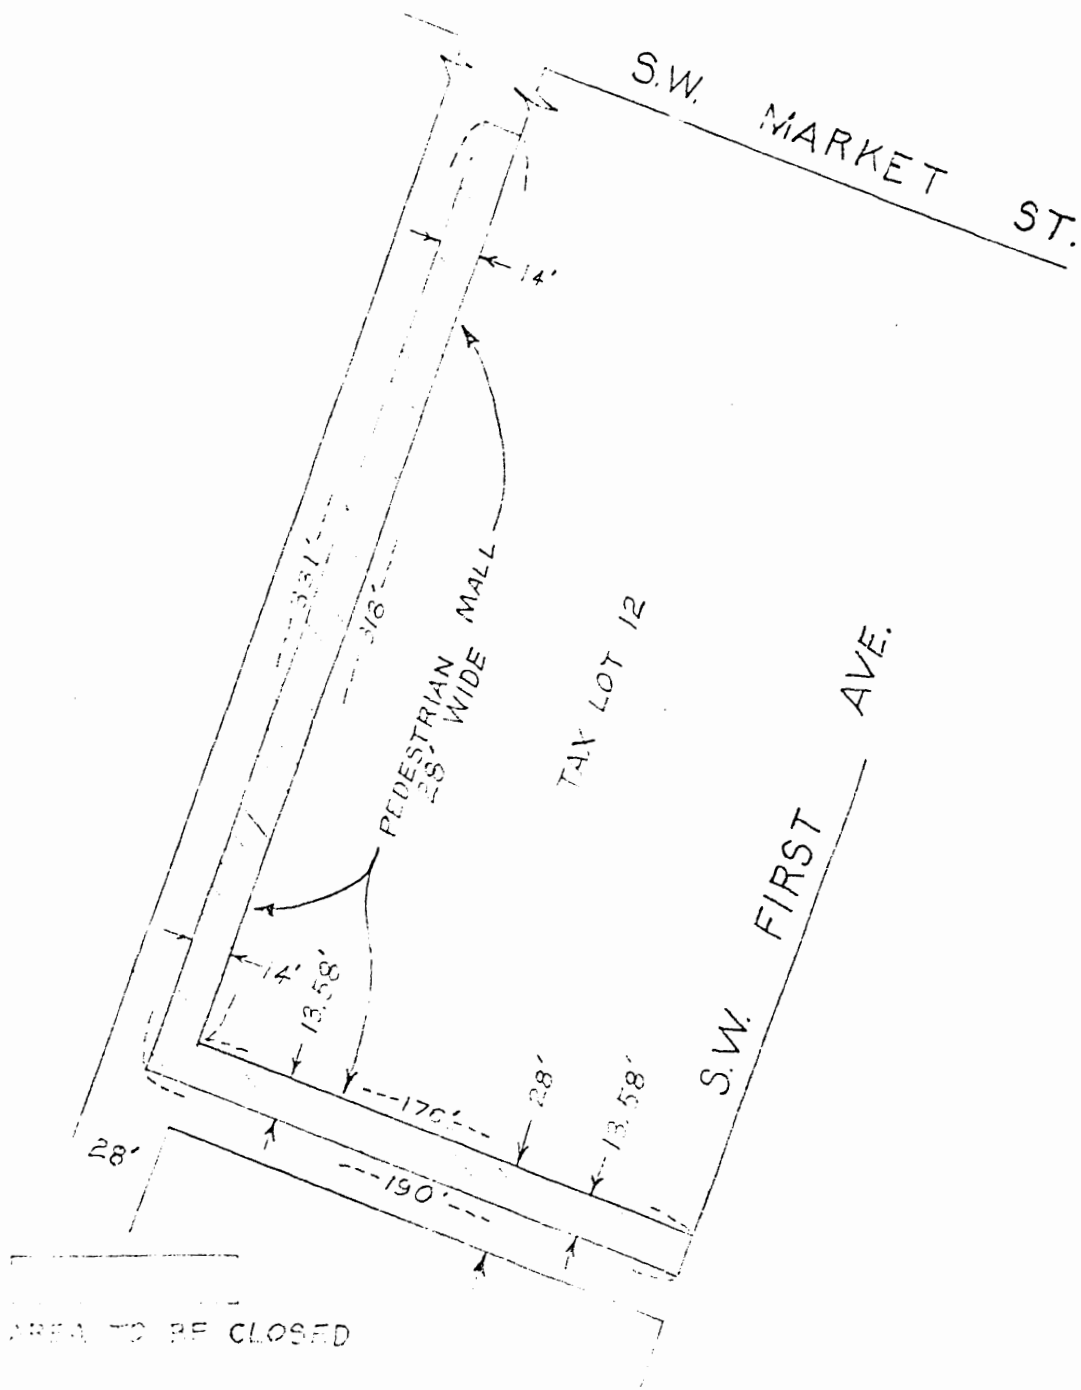

Section 2. This Ordinance will not become effective until the permittee has filed with the City Auditor both a document accepting the terms and conditions hereof, and the evidence of insurance, each of which has been approved by the City Attorney.
