ORDINANCE NO. 151951

An Ordinance amending Contract No. 19515 with Portland Paramedical Center for College Work-Study Program participation, to provide for workers' compensation coverage of students under the Center's plan, rather than that of the City, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The current agreement with Portland Paramedical Center for College Work-Study Program participation provides that workers' compensation coverage of students will be under the City's plan. This agreement should be amended to conform with other college work-study agreements, by providing that workers' compensation coverage of students will be under the Center's plan.

NOW, THEREFORE, the Council directs:

- a. Paragraph VII of the agreement between the Portland Paramedical Center and the Portland Water Bureau (Contract No. 19515) effective July 1, 1981, is amended by deleting the following sentence:

"The Agency hereby agrees to cover all Work-Study employees under its Workmen's Compensation plan."

and by inserting, in lieu of that sentence, the following:

"The Institution hereby agrees to provide workers' compensation coverage for all work-study students, using funds received from the Agency."

- b. The foregoing amendment takes effect upon acceptance of this ordinance in writing by the Portland Paramedical Center on a form provided by and filed with the City Auditor.

ORDINANCE No.

151951

Section 2. The Council declares that an emergency exists because the amendment authorized by this ordinance is necessary to permit participation in the work-study program to continue without interruption; therefore, this ordinance shall in effect from and after its passage by the Council.
