RECITALS:

1. The Civic Life mission is to promote a culture of civic engagement by connecting and supporting all Portlanders working together and with government to build inclusive, safe, and livable neighborhoods and communities. Civic Life grant programs foster its long-term goals:
 - a. Inclusive Structures. Modeling the inclusive practices and processes we seek to promote, we will partner with diverse, self-identifying communities to:
 - Champion institutional practices for inclusion and transformational change within government structures;
 - Increase community building and civic engagement infrastructure for communities working toward equitable outcomes for all.
 - b. Adaptive Governance. The City's practices, policies and structure will better reflect communities when we can acknowledge that we do not all share – and yet we can collectively benefit from – each other's views. More adaptive governance is a crucial contributor to a City in which its members share its benefits and burdens more equitably. To realize more adaptive decision-making in community and government, we will:
 - Support inclusive cross-cultural, cross-issue organizing in communities to reflect the ability of resilient communities to address complex, inter-connected issues;
 - Lead internal capacity development within City government, particularly as it pertains to engaging communities toward equitable outcomes;
 - Create and hold shared space where community and government join together to identify opportunities and solve shared challenges;

- Support communities in pursuing forms of governance that reflect their lived experience, values, and aspirations.
- c. Fulfilled and Empowered Portlanders. A progressive change in the culture of civic engagement is foundational to long-term systemic community building and government change. We will:
- Prioritize resources that support communities in building resilience both with and without their government;
 - Ensure equitable sharing of resources;
 - Promote inclusive education, art, and play;
 - Create an environment for respectful dialogue and problem solving that acknowledges our differences as we work toward shared goals.
2. The Neighborhood Outreach & Support Program is an Office of Community & Civic Life (Civic Life) program that broadens channels of communication between the public and City officials, increases community participation in public decision-making, and supports community-driven projects.
 3. Grantee supports community groups in Portland focusing on East Portland. East Portland Neighbors provides support in specific ways, including offering insurance coverage for member organizations. It is organized for charitable, educational, and research purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code. Through communication, the organization shall inform the public on subjects beneficial to the community. EPN is a Membership Public Benefit Non-profit Corporation as defined by Oregon law.
 4. Grantee will implement this agreement in partnership with North Portland Neighborhood Services (NPNS Inc) which is also a registered Oregon Membership Public Benefit Nonprofit Corporation whose mission and purpose is: “to build community assets through community organization with the intent to improve the quality of life for residents of the City of Portland.” (NPNS Inc By-Laws). It provides insurance services to the eleven North Portland neighborhoods and seventeen community groups and business districts with emphasis on serving emerging BIPOC groups, such as Camp Elso and Brown Girl Rise and Ya YA.
 5. Grantee’s scope of work is consistent with the City of Portland Core Values of Anti-Racism, Equity, Transparency, Communication, Collaboration, and Fiscal Responsibility as adopted by City Council on June 17, 2020.
 6. In accordance with the Fiscal Year 2021/22 Budget, the City now desires to make a grant award to Grantee in an amount not to exceed **\$20,000**.
