

S.E.R.A. PROJECT

S.E.R.A. Project	No. 26 - B24 - 81
Name of Project	Fast Ambulance Boat - Harbor Patrol
Supervised by	L. G. Apperson
Field Supervision	V. W. Strode - Fred Jones
Date Approved by S.E.R.A.	July 1934
Date Construction Started	July 16, 1934
Date of Completion	September 14, 1935
Original Estimate	\$2,210.86
Extra Work Estimate	4,613.60
Total Estimate	<u>6,804.46</u>
Labor S.E.R.A. Fund	5,614.73
Material S.E.R.A. Fund	193.45
Material Local Govt. Funds	.92
Insurance Local Govt. Funds	304.39
Total Final Cost	<u>6,113.49</u>
Total Man Hours of Employment	5,850
Average No. of Men Employed	4 Men for 235 Days

This project consisted of building a fast ambulance boat of entirely new design and construction, being built along aerodynamic lines with water tight compartments to prevent sinking.

The necessary services, use of patent rights and cooperation of the designer were given without charge. Most of the materials were contributed by private individuals and local business concerns.

Owing to the original design of the boat and changes necessary to complete the design, a great deal of extra work was necessary.
