- C. If for any reason GRANTEE receives a grant payment under this Grant Agreement and does not use grant funds, provide required services or

take any actions required by the Grant Agreement the CITY may, at its option terminate, reduce or suspend any grant funds that have not been paid and may, at its option, require GRANTEE to immediately refund to the CITY the amount improperly expended or received by GRANTEE.

- D. Grant payments under this Agreement may be used only to provide the services or take the actions listed previously in this Grant Agreement and shall not be used for any other purpose.

## **ARTICLE V -- GENERAL GRANT PROVISIONS**

- A. Cause for Termination; Cure. It shall be a material breach and cause for termination of this Agreement if GRANTEE uses grant funds outside of the scope of this Agreement, or if GRANTEE fails to comply with any other term or condition or to perform any obligations under this Agreement within thirty (30) days after written notice from CITY. If the breach is of such nature that it cannot be completely remedied within the thirty (30) day cure period, GRANTEE shall commence cure within the thirty (30) days, notify CITY of GRANTEE's steps for cure and estimated time table for full correction and compliance, proceed with diligence and good faith to correct any failure or noncompliance, and obtain written consent from CITY for a reasonable extension of the cure period.

- B. No Payment or Further Services Authorized During Cure Period. During the cure period, CITY is under no obligation to continue providing additional grant funds notwithstanding any payment schedule indicated in this Agreement. GRANTEE shall not perform services or take actions that would require CITY to pay additional grant funds to GRANTEE. GRANTEE shall not spend unused grant funds and such unused funds shall be deemed held in trust for CITY. GRANTEE shall be solely responsible for any expenses associated with cure of its noncompliance or failure to perform.
- C. Termination for Cause. Termination for cause based on GRANTEE's misuse of grant funds shall be effective upon notice of termination. Termination for cause based on failure to comply or perform other obligations shall be effective at the end of the 30-day period unless a written extension of cure period is granted by CITY. GRANTEE shall return all grant funds that had not been expended as of the date of the termination notice. All finished or unfinished documents, data, studies, and reports prepared by GRANTEE under this Agreement shall, at the option of CITY, become the property of CITY; and GRANTEE may be entitled to receive just and equitable compensation for any satisfactory work completed on such documents up until the time of notice of termination, in a sum not to exceed the grant funds already expended.
- D. Penalty for Termination for Cause. If this Agreement is terminated for cause, CITY, at its sole discretion, may seek repayment of any or all grant funds tendered under this Agreement, and decline to approve or award future grant funding requests to GRANTEE.
- E. Termination by Agreement or for Convenience of City. CITY and GRANTEE may terminate this Agreement at any time by mutual written agreement. Alternatively, CITY may, upon thirty (30) days written notice, terminate this agreement for any reason deemed appropriate in its sole discretion. If the Agreement is terminated as provided in this paragraph, GRANTEE shall return any grant funds that would have been used to provide services after the effective date of termination. Unless the Parties agree otherwise, GRANTEE shall finish any work and services covered by any grant funds already paid and shall not commence any new work or services which would require payment from any unused grant funds.
- F. Changes in Anticipated Services. If, for any reason, GRANTEE's anticipated services or actions are terminated, discontinued or interrupted, CITY's payment of grant funds may be terminated, suspended or reduced. GRANTEE shall immediately refund to CITY any unexpended grant funds received by GRANTEE.
- G. Amendment. The Grant Manager is authorized to execute amendments to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase CITY's financial risk. Increases to the grant amount must be approved by the City Council unless the City Council delegated authority to amend the grant amount in the ordinance authorizing this Agreement. Amendments to this Agreement, including any increase or decrease in the grant amount, must be in writing and executed by the authorized representatives of the Parties and approved to form by the City Attorney.

- H. Non-discrimination; Civil Rights. In carrying out activities under this Agreement, GRANTEE shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. GRANTEE shall take actions to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. Actions shall include but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

GRANTEE shall post in conspicuous places, available to employees and applicants for employment, notices, which state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. GRANTEE shall incorporate the foregoing requirements of this section in all other agreements for work funded under this Agreement, except agreements governed by Section 104 of Executive Order 11246.

I. Records and Audits.

1. Records Retention. GRANTEE shall maintain current financial records in accordance with Generally Accepted Accounting Principles (GAAP). GRANTEE agrees to maintain and retain all financial records, supporting documents, statistical records and all other records pertinent to this Agreement during the term of this Agreement and for a minimum of ten (10) years after the expiration or termination date of this Agreement or until the resolution of all audit questions or claims, whichever is longer.
2. CITY Audits. CITY, either directly or through a designated representative, may conduct financial and performance audits of GRANTEE's records related to this Agreement at any time in the course of the Agreement and during the records retention period listed above. Audits will be conducted in accordance with generally accepted auditing standards as promulgated in Government Auditing Standards by the Comptroller General of the United States Government Accountability Office.
3. Access to Records. CITY may examine, audit and copy GRANTEE's books, documents, papers, and records relating to this Agreement at any time during the records retention period listed above upon reasonable notice. GRANTEE shall make copies of applicable records available upon CITY's request.

J. Public Records.

1. Public Records Act. CITY is subject to Oregon public records law. All documents and information submitted by GRANTEE to CITY may be deemed public records subject to public disclosure pursuant to Oregon public records law.

2. Submission of Confidential Records. GRANTEE shall contact CITY's Grant Manager before submitting confidential information to CITY. If the GRANTEE determines that it is necessary to submit confidential documents and information to CITY, the GRANTEE shall identify, highlight, and segregate any information that is identified as confidential from information that is not exempt. GRANTEE shall identify applicable exemptions under the Oregon Public Records Act. Information that has not been properly marked as confidential by GRANTEE may be disclosed by CITY in response to a public records request.
  3. No Warranty or Representation of Confidentiality. CITY makes no warranty or representation as to the confidentiality of GRANTEE's documents or information submitted to CITY whether or not the documents or information are identified as confidential by GRANTEE. Documents or information identified by GRANTEE as confidential may be disclosed by CITY if CITY determines, in its sole discretion, that the GRANTEE's documents or information are subject to disclosure under Oregon public records law. In the event CITY receives a public records request applicable to GRANTEE's documents or information, CITY will make an independent determination regarding exemptions that may apply to documents or information properly marked as confidential by GRANTEE.
  4. Acknowledgement and Waiver. GRANTEE acknowledges by its signature below that all documents and information submitted to CITY by GRANTEE may be subject to public disclosure upon CITY's determination that GRANTEE's documents or information are subject to disclosure under public records law, upon an order of the Multnomah County District Attorney, or upon an order of a court. GRANTEE is advised to consult GRANTEE's legal counsel regarding the applicability of Oregon public records law to GRANTEE documents and information submitted to CITY.
- K. Indemnification. GRANTEE shall hold harmless, defend, and indemnify CITY, and its officers, agents and employees against all claims, demands, actions, and suits (including all costs) brought against any of them arising from actions or omissions of GRANTEE and/or its contractors in the performance of this Agreement.
- L. Insurance. GRANTEE shall obtain and maintain in full force at its expense, throughout the duration of the Agreement and any extension periods, the required insurance identified below. CITY reserves the right to require additional insurance coverage as required by statutory or legal changes to the maximum liability that may be imposed on Oregon cities during the term of this Agreement.
1. Workers' Compensation Insurance. GRANTEE, its contractors and

all employers working under this Agreement shall comply with ORS Chapter 656 and as it may be amended from time to time. Unless exempt under ORS Chapter 656, GRANTEE, its contractors and any employers working under this Agreement shall maintain coverage for all subject workers for the duration of this Agreement.

In the event worker's compensation insurance coverage is due to expire during the term of this Agreement for any employers working under this agreement, GRANTEE agrees to require timely renewal of that insurance, either as a carrier-insured employer or a self-insured employer as provided by Chapter 656 of the Oregon Revised Statutes, before its expiration, and GRANTEE agrees to provide the CITY such further certification of worker's compensation insurance as renewals of said insurance occur.

2. Commercial General Liability Insurance: GRANTEE shall maintain commercial general liability and property damage insurance that protects GRANTEE and the CITY and its officers, agents, and employees from any and all claims, demands, actions, and suits for damage to property or personal injury, including death, arising from GRANTEE's work under this Grant Agreement. The insurance shall provide coverage for not less than \$2,000,000 per occurrence.
3. Automobile Liability Insurance: GRANTEE shall have automobile liability insurance with coverage of not less than \$2,000,000 each accident. The insurance shall include coverage for any auto or all owned, scheduled, hired and non-owned auto. This coverage may be combined with the commercial general liability insurance policy.
4. Additional Insured: The liability insurance coverages, except Professional Liability, Errors and Omissions, or Workers' Compensation where applicable, shall be without prejudice to coverage otherwise existing, and shall name the City of Portland and its bureaus/divisions, officers, agents and employees as Additional Insureds, with respect to the GRANTEE's or its contractor's activities to be performed or services to be provided. Grantee shall provide proof of additional insured coverage in the form of an additional insured endorsement form or a policy coverage document acceptable to City. Coverage shall be primary and non-contributory with any other insurance and self-insurance. Notwithstanding the naming of additional insureds, the insurance shall protect each additional insured in the same manner as though a separate policy had been issued to each, but nothing herein shall operate to increase the insurer's liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured.
5. Continuous Coverage; Notice of Cancellation: GRANTEE shall maintain continuous, uninterrupted coverage for the duration of the Agreement. There shall be no termination, cancelation, material

change, potential exhaustion of aggregate limits, or non-renewal of coverage without thirty (30) days written notice from GRANTEE to CITY. If the insurance is canceled or terminated prior to termination of the Agreement, GRANTEE shall immediately notify CITY and provide a new policy with the same terms. Any failure to comply with this clause shall constitute a material breach of the Agreement and shall be grounds for immediate termination of this Agreement.

6. Certificate(s) of Insurance: GRANTEE shall provide proof of insurance through acceptable certificates of insurance and a CG 2026 additional insured endorsement form (or an equivalent blanket additional insured form) to CITY on or before execution of the Agreement and prior to any commencement of work or delivery of goods or services under the Agreement or initial payment of grant funds. The certificate(s) will specify all of the parties who are endorsed on the policy as Additional Insureds (or Loss Payees). Insurance coverages required under this Agreement shall be obtained from insurance companies acceptable to CITY. GRANTEE shall pay for all deductibles and premium from its non-grant funds. CITY reserves the right to require, at any time, complete and certified copies of the required insurance policies evidencing the coverage required. In lieu of filing the certificate of insurance required herein, if GRANTEE is a public body, GRANTEE may furnish a declaration that GRANTEE is self-insured for public liability and property damage for a minimum of the amounts set forth in the Oregon Tort Claims Act (ORS 30.260 to 30.300).
  
- M. Grantee's Contractor; Non-Assignment. If GRANTEE utilizes contractors to complete its work under this Agreement, in whole or in part, GRANTEE shall require any of its contractors to agree, as to the portion contracted, to fulfill all obligations of the Agreement as specified in this Agreement. However, GRANTEE shall remain obligated for full performance hereunder, and CITY shall incur no obligation other than its obligations to GRANTEE hereunder. This Agreement shall not be assigned or transferred in whole or in part or any right or obligation hereunder, without prior written approval of CITY.
  
- N. Independent Contractor Status. GRANTEE, and its contractors and employees are not employees of CITY and are not eligible for any benefits through CITY, including without limitation, federal social security, health benefits, workers' compensation, unemployment compensation, and retirement benefits. GRANTEE will be responsible for any federal, state, or local taxes and fees applicable to payments hereunder.
  
- O. Conflict of Interest. No CITY officer or employee, during his or her tenure or for two (2) years thereafter, shall have any interest, direct or indirect, in Grant Agreement or the proceeds thereof. CITY officer or employee who selected GRANTEE, participated in the award of this Agreement or managed this Agreement shall not seek the promise of employment from GRANTEE or be employed by GRANTEE during the term of the Agreement, unless waiver is obtained from CITY in writing.

- P. Oregon Laws and Forum. This Agreement shall be construed according to the laws of the State of Oregon without regard to its provisions regarding conflicts of law. Any litigation between CITY and GRANTEE arising under this Agreement or out of work performed under this Agreement shall occur in Multnomah County court having jurisdiction thereof, and if in the federal courts, in the United States District Court for the State of Oregon.
- Q. Compliance with Law. GRANTEE and all persons performing work under this Agreement shall comply with all applicable federal, state, and local laws and regulations, including reporting to and payment of all applicable federal, state and local taxes and filing of business license. If GRANTEE is a 501(c)(3) organization, GRANTEE shall maintain its nonprofit and tax-exempt status during this Agreement.
- R. Severability. CITY and GRANTEE agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
- S. Merger. This Agreement contains the entire agreement between CITY and GRANTEE and supersedes all prior written or oral discussions or agreements. There are no oral or written understandings that vary or supplement the conditions of this Agreement that are not contained herein.
- T. Program and Fiscal Monitoring. CITY shall monitor on an as-needed basis to assure Agreement compliance. Monitoring may include, but are not limited to, on site visits, telephone interviews and review of required reports and will cover both programmatic and fiscal aspects of the Agreement. The frequency and level of monitoring will be determined by the Grant Manager. Notwithstanding such monitoring or lack thereof, GRANTEE remains fully responsible for performing the work, services or obligations required by this Agreement in accordance with its terms and conditions.
- U. Third Party Beneficiaries. There are no third-party beneficiaries to this Agreement and may only be enforced by the Parties.
- V. Electronic Transaction; Counterparts. The Parties agree that they may conduct this transaction, including any amendments, by electronic means, including the use of electronic signatures. This Agreement, and any amendment, may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument.

## City of Portland Special Appropriations – Scope of Work

Updated July 2022

### Overview

Under the direction of the guidelines provided by the City of Portland’s community safety proposal guidelines. Grantmakers of Oregon & Southwest Washington (GOSW) will utilize city funding to work in alignment with our philanthropic foundation membership, our nonprofit partners to elevate, and our software system ‘The Resource Connector’ or TRC (an online universal application system that aids cross-collaborative funding amongst funders and NPOs) GOSW is in the position of holding the membership of a plethora of engaged foundations that will aid in the rapid distribution of dollars and/or resources.

### Goals

1. **Expected Activities:** GOSW will work within its network of foundations/funders/nonprofit leaders to identify funding needs associated with nonprofit partners working within the areas of, but not limited to: Social, Economic, and Environmental Disparities, Financial Literacy, Self Sufficiency, Altruism, and Community Building, Shame Reduction, Conflict Resolution, and Behavior Science, Restorative, Meditation and Healing Practices, Mentorship, Life Coaches, Positive Role Model and Advocacy Programs, Entertainment, Sports, Arts & Culture.

By utilizing our unique tool, called The Resource Connector, which is the central nervous system for our contribution to equitable grantmaking that is best utilized by our members and like-minded funders, we will continue to create an equitable playing field with the use of the universal application not only with our larger community foundation

members, but also with smaller family foundations who can be much more nimble and flexible in their style of grantmaking. *If a member chooses not to use TRC, they are still able to access city funds to distribute to their grantees after consulting with GOSW to be sure they can adhere to the grant program’s guidelines. A member is able to forgo the use of TRC and utilize their own Grantmaking process.*

Our foundation partners will be able to collaboratively fund their nonprofit partners through this program which will potentially increase the total awards of the program to \$1.3M.

2. **Data Collection:** *Please see the sample questions of Data Collection:*

**QUALITATIVE:**

- What did your foundation’s grantees gain from using these funds? What did your foundation gain?
- What challenges did you face during the distribution of these funds?
- Is there something your foundation would like to do differently in the future when receiving outside funding?
- Please list three or more organizations that you feel could benefit from membership with GOSW?

*\*It is to be noted that while we will be working with multiple partners and members, they will have their own methods of reporting as well. We will ask each member of ours that receives these dollars to fill out a qualitative questionnaire/survey followed by the supporting quantitative data that aligns with their utilization of award dollars and the success or challenges of their programs. However, if our member has their own preferred method of reporting, we will follow their method. We place a high priority on qualitative data and data storytelling because it allows us to see the larger picture. Qualitative survey research is a less structured research methodology used to gain in-depth information about people’s underlying reasoning and motivations. The end goal is to develop a deep understanding of a topic, issue, or problem from an individual perspective. It also allows us to see Trust-Based Philanthropy at work which our members and partners prides themselves on. Qualitative data collection is defined as any form of information collection that’s meant to describe, but not predict, as in the case of quantitative research. Often qualitative surveys are used to come up with a hypothesis, which are then tested using the data collected through quantitative data collection. We will need to adhere to the variety of reporting requirements mandated by our partners, but during this time we will continue to roll out our sample reporting form as seen above.*

If TRC is used in any way, we will also be monitoring/evaluating ourselves internally utilizing a formula that allows us to see the date request comes in, the processing time and the date funds are out the door. It is a simple excel formula where we input the date and the amount of maximum days needed for complete distribution and the processing time associated with each step of the process until the request(s) is complete.

## **Milestones**

### **1. Finalize Partner Contracts**

Although a formal agreement hasn’t been made with the City quite yet, we took the liberty of beginning conversations with our partners who are interested in this project.

We foresee partnership contracts/agreements being in place by the beginning to middle of August to align with the August distribution dollars timeframe.

## **2. Publicizing Program**

We will utilize our partners and their networks, along with our own members, to continue to get the word out about this opportunity for their grantees. We want to be sure that the community outreach strategy in conjunction with selected members is equitable and does not reflect being tone deaf or lacking cultural competency towards their possible nonprofit partners.

## **3. Distribution of Funds**

GOSW will work within the 30-45 days turnaround time to get money out to foundation members receiving funding. If funding requests are received by non-profit organizations, then we will respond by pairing them with a funder within our membership network for a mentoring opportunity to apply again with that funder directly during their open grant rounds in the near future and GOSW will waive fee to our sessions around grant writing to these nonprofits as well for additional support.

## **Anticipated Timeline**

GOSW will work within the 30-45 day turnaround time we have been provided. We acknowledge that our foundation members will not need to adhere to the 30-35 day timeline to award grant funds to their grantees.

## **PROJECT BUDGET**
