Portland Ore. Dec. 20th 1913.

RECEIVED
DEC 22 1913
H. L. ALBEE,
MAYOR

Hon. Mayor Albee.

Dear Sir;

Enclosed find sixty(60) more names on the petition for the removal of Mrs. Lola Baldwin. These names were gotten by house to house canvass showing that the citizens of Portland want her removal from office. Also, please note the district they were secured in, as so often we are accused that the only names we get are "HORRIBLE I.W.W. and SOCIALISTS"

VERY RESPECTFULLY

Jean Bennett

To Mayor Albee: we the Citizens of Portland, state of Oregon, do hereby demand the immediate removal from office of Mrs. Lola B Baldwin, who has charge of the Municipal welfare of Public Safety for young girls.

Our reason for wanting her removed from office are:
 She is utterly heartless and cold blooded and not a fit person to be judge of human flesh and blood.

she makes no attempt whatever to secure work for these girls, but railroads them to some institution as the easiest way out of

She has never been known to make one kind remark, but instead every word she utters makes these girls despise her.

We feel that a motherly person would have a tendency to make the girls better instead of worse.
