Subject: Written testimony for 899-903
Date: Monday, October 24, 2022 10:43:28 AM

Please support the mayor's proposal 899-903 to limit illegal homeless camping and provide humane alternatives.

Please work urgently on creating and approving a follow-up proposal to add specific, measurable timelines and deliverables related to removing the illegal homeless camps so that Portland voters can make an informed decision at the next election.

Thank you

Peter Moon
