Hello,

I have lived in Portland for almost 25 years and I'm disappointed by its decent from somewhere I once felt safe and comfortable to a shadow of its former self.

It's past time to end dangerous, inhumane, and illegal camping in our public areas. Neighborhoods are unsafe and Portland is hurting. Use city funds NOW to implement this plan immediately and stop wasting taxpayer dollars on the Joint Office of Homeless Services.

Thank you for your time,

Courtney Giordano
