- Update Exhibits 1-5 as needed to reflect this change.

WHEELER 1

Motion to amend the Spring BMP Ordinance to add a finding and directive for continued services in the Impact Reduction Program.

- Update the Spring BMP Ordinance as Amended to include the following finding:

“The Fall BMP and Spring BMP in FY 2022-23 have included additional funds to ensure IRP is able to maintain service levels through the current fiscal year. The current contract does not match the current run rate for City owned and ODOT owned clean-ups and the contract will require additional funds in order to match the revised budget.”

- Update the Spring BMP Ordinance as Amended to include the following directive:

“The Chief Procurement Officer or designee is authorized to amend Contract #31002015, to increase the total contract value by an additional \$12,000,000, for a new contract not-to-exceed total of \$38,603,000, provided the amendment has been approved as to form by the City Attorney’s Office.”

WHEELER 2

Motion to amend the Spring BMP Ordinance to add an emergency clause in order to have the appropriations in Exhibits 1-5 of this ordinance as amended be enacted upon the unanimous passage of this ordinance.
