Emergency Ordinance

*Accept and appropriate a grant from CareOregon Inc. to expand the Community Health Assess and Treat program in the amount of \$2,400,000 (amend Contract 32002585)

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Both CareOregon and Portland Fire & Rescue have a vested interest in reducing unnecessary and avoidable Emergency Department utilization.
2. Portland Fire & Rescue represents the largest licensed pre-hospital Emergency Medical Service provider in the City of Portland providing upstream interventions before hospitalization is needed.
3. Portland Fire & Rescue is uniquely positioned to reach members who are housed and houseless with a myriad of mental and physical conditions, with an ability to focus on building trusting relationships and assessing care needs in the community setting.
4. CHAT was specifically created to reach marginalized and vulnerable community members suffering from chronic health, mental health, and substance use disorders, who are unable to navigate current healthcare systems.
5. October 13, 2021, Ordinance No. 190578 accepted \$2,488,575 CareOregon Inc., Grant No. 32002585.

NOW, THEREFORE, the Council directs:

- A. The Portland Fire & Rescue Chief is hereby authorized to negotiate, accept and execute a grant amendment with CareOregon, Inc., substantially similar to Exhibit A, Contract No. 32002585 Amendment 2.
- B. The Portland Fire & Rescue Chief is authorized to negotiate and execute on behalf of the City of Portland any subsequent amendments to the grant agreement, including amendments that increase the

Impact Statement

Purpose of Proposed Legislation and Background Information

This Ordinance is to accept a grant in the amount of \$2,400,000 from CareOregon. This grant funds staff salaries, essential medical equipment, hardware/software acquisition, and staff training for an expanded Community Health Assess and Treat team.

The goals of the partnership are to:

1. Change system of health care delivery in pre-hospital care setting
 - A. Respond to low acuity calls, assess and treat and follow up when feasible and requested within twenty-four (24) hours
 - B. Improve access and equity through patient education
2. Improve health outcomes
3. Lower healthcare costs
4. Improve member experience with the healthcare system
5. The intent of this Agreement is to address social and behavioral determinants of health barriers which keep these populations from accessing appropriate care.

Financial and Budgetary Impacts

- This grant is for \$2,400,000.
- There are no additional or ongoing expenses.

Community Impacts and Community Involvement

This legislation is intended to lead to positive impacts for some of our most vulnerable community members, by helping them avoid unnecessary and expensive emergency department visits, and to help address healthcare needs in the pre-hospital care setting.
