Row 917

Name	Sarah Radcliffe, Habitat for Humanity Portland Region
Agenda Item	550
Position	Support
Comments	<p>Given rising interest rates, rising construction costs, and the dwindling availability of land, it's critical that the City act swiftly to create opportunities for communities of color and low-income households access the benefits of homeownership. Habitat for Humanity Portland Region supports the resolution for NOAH to administer this fund to catalyze affordable homeownership development through land acquisition and predevelopment grants.</p>
