590	Anonymous	Oppose	I oppose renaming a public space after a drag queen. We have countless people who have paved the way in Portland and done amazing work in our community and we don't rename public places after them. Darcelle was a drag queen and a ran a business doing so there isn't anything special about this that warrants renaming a plaza already named after a historical figure. When is the last time a public space was named after a Native American, African American or Latino? We have many throughout Portland history more deserving of recognition.	No	07/12/23 4:57 PM
