

## Water Bureau Surplus Properties: Exhibit D - Public Comments

Arrowood Pump Station –SW 34<sup>th</sup> Ave. and SW Stephenson St. (R331445)

- No public comments received regarding this property.

Buddington Tank – 5126 SW Buddington St. (R302727)

- Email from Devin Moore on 4/26/2023 inquiring about wanting the proceeds from the sale to go back to the neighborhood area to fix the potholes in the unpaved roads in this area. He wanted it to be part of the local road maintenance instead of the gravel that comes through every three years. He also inquired about a link from OMF that did not work for his public comments. That was forwarded to OMF for help in the system.

Woodward Tank – 3000 SE 109<sup>th</sup> Ave. (R333885 & R244372)

- Comment sent from Noriko Yamaguchi on 3/18/23 inquiring as to why Parks has not purchased it and made it part of Kelly Butte and a park.
- Email sent from James Chasse on 5/10/2023 stating “At our most recent Powellhurst/Gilbert Neighborhood Association meeting, the board agreed to request that the property listed at 3000 SE 109th remain zoned open space (OS). The surrounding properties are zoned R7 and this property would not be a good fit for high density housing.”
