TO THE COUNCIL:

On February 9, 2022, Council approved Ordinance Number 190696 for Procurement Services to use a Contract-Specific Special Procurement procedure in accordance with Portland City Code 5.33 to enter into contracts to pilot test body-worn cameras from proposers within the solicitation's Competitive Range.

The Chief Procurement Officer has advertised and received proposals for RFP 00001802 on behalf of the Portland Police Bureau (PPB) from qualified firms and contractors with demonstrated experience in body-worn camera programs.

On March 25, 2022, four (4) proposal responses were received. Proposals were evaluated over multiple phases in accordance with the RFP requirements, and on May 10, 2022 a notice of intent to award was issued to Axon Enterprise, Inc. No protests were received.

On April 1, 2023, the PPB entered into a contract to pilot body-worn cameras from the highest scoring proposer. The evaluation committee tested the body-worn cameras system starting August 21, 2023 and ending on October 19, 2023. Every member of the evaluation committee approved the body-worn camera system with a passing score.

The Contractor holds a current City of Portland Business Tax Registration and are in full compliance with all City contracting requirements.

Procurement Services recommends that Council accept this Report and authorize the Chief Procurement Officer to execute a contract with the awarded Contractor.
