

## Written Testimony - Agenda Item 28/1078

Agenda Item	Name or Organization	Position	Comments	Attachment	Created
28	Anonymous	Oppose	I oppose only to bring to light that the Bureau of Development Services is so understaffed that it does not fairly enforce the city code. I've had cases closed which were life and safety clear building code violations without a BDS inspector ever visiting the site. We need more accountability at BDS.	No	01/08/24 4:49 PM
