Agenda Item	Name or Organization	Position	Comments	Attachment	Created
150	Anonymous	Support with changes	<p>Hello City Council!</p> <p>I want to say that fully support graffiti abatement and removal, I believe in the importance of keeping the City clean and safe for all residents.</p> <p>I would like to recommend a small change to abatement efforts currently not offered by this amendment.</p> <p>Alternative means such as community murals or positive messages has a positive impact on the perception of safety.</p> <p>I understand that not all graffiti is great, sometimes it can be an eyesore.</p> <p>I hope the Council will consider using other means to abatement to help curb some of the issues being discussed.</p> <p>Thank you kindly for reading my public testimony.</p>	No	02/09/24 9:46 AM
150	Jessi Presley-Grusin	Oppose	<p>Graffiti is not the problem it is made out to be and its abatement is a waste of resources, including tax payer money. Requiring it's removal from private property is unacceptable and creates an unnecessary burden on less affluent property owners who may not be able to address its removal within the ten days you require. I urge you to oppose any amendments and instead demand that you overturn this absurd and harmful statute.</p>	No	02/13/24 10:58 PM
