Capt Tyler advised the membership that in accordance with his statement made at a previous meeting, several of the members had been dropped for non attendance, and said that more would be dropped unless the attendance improved. He again stated that it was absolutely necessary that we have a full attendance at our meetings, and unless the members could attend all of the meetings, or be properly excused, more would be dropped for non attendance.

Answering several questions Capt Tyler advised the membership that about one hundred baskets were delivered by the Sunshine Division at Christmas time. These baskets were given to the Old Folks and were delivered by the regular Police Department.

The regular Roll was called all but thirty seven of the members being present or excused.

The minutes of the previous meeting were read and approved.

A letter was read from Lt Dewey Jensen, saying that he was sorry that he could not attend the meeting, but hoped to be able to attend all of the meetings soon. Capt Tyler advised the members that Lt Jensen was a very sick man and it is very doubtful if he will ever be able to leave the hospital again. He advised that visitors could call each afternoon and said that it would be a very nice thing if the members of the Reserve would call on him. The hours are from two to four o'clock each afternoon. He also suggested that the members send Lt Jensen a Christmas Card.

Lt Thompson asked Capt Tyler just what would be done by the Sunshine Division at Christmas time. Capt Tyler said that he had about one hundred names of Old Folks that would be served with the regular baskets, and each basket would contain a chicken instead of meat. He said that Chief of Police Niles would see that these baskets would be delivered by the regular Police Dept. He also stated that the Sunshine Division had finally received permission from the OPA to give out food without receiving the regulation points.

Advisor Goldstein then introduced Capt Gates of the U S Army Intelligence Division who advised the Reserves that he was about to show a picture showing the workings of Sabotage. This picture had just been released by the Government, and could not be shown unless special permission was granted by the War Dept. Capt Gates gave a very interesting talk and then introduced Sgt Ryman who had charge of the projection machine. These pictures were very interesting and were very much enjoyed by all present.

Capt Tyler again spoke on attendance and said that unless the attendance improved, and unless those members who could not attend would notify their Lieutenants, Sergeant or Corporals, drastic measures would be taken and some of the offenders would be relieved of their credentials, and be dismissed from the Reserve. He said that he hoped that it would not be necessary for him to take any such action, but it was absolutely necessary that we have a full attendance at our meetings. He stated that if any member could not be present at the meeting, and did not show enough interest in the organization to notify the proper Officers, he did not deserve to be a member of the organization and would be dismissed.

Lt Thompson said that it was brought to his attention that some of the newer members did not know their Lieutenants, Sergeants or Corporals, and advised each member of the Reserve that it was necessary to obtain these names, addresses and telephone, so that they could get in touch with their officers in case of necessity.

A regular meeting of the Portland Police Reserve was held on Monday evening October 13, 1942 at 7.45 o'clock, in the Council Chambers of the City Hall.

The regular Roll was called all but seventeen of the members being present or excused.

The minutes of the previous meeting were read and approved.

The meeting was presided over by Lt Norman A Thompson, in the absence of Capt Tyler. Lt Thompson stated that Capt Tylers son had joined the armed forces of the United States and was going away in a very few days. Cpt Tyler had promised to take him on one more hunting trip before he left home, and that they were now on that trip. It is hoped that they had a successful trip and that they will be able to take many more of them in future years.

Ex Commissioner J E Bennett was present and was introduced by Lt Thompson. Mr Bennett made a few very complimentary remarks regarding the Police Reserve and the Sunshine Division.

Advisor Goldstein was then called on, and in a few very well chosen words presented an Eversharp pen and pencil set to Police Officer Earl Biggs, a gift from the Board of Lieutenants of the Police Reserve. For many years Officer Biggs was assistant to Capt Tichenor at Sunshine headquarters and did very efficient work, and he had endeared himself to all of the members of the Police Reserve. Officer Biggs expects to be called into service soon. We all sincerely hope that he will come back to us after the present difficulties are over, and that he will suffer no ill effects from his services with the armed forces.

The following men having been appointed as members of the Police Reserve were then called upon, Ira J Ogden, Walter Kosmecki, E B Gabriel, Victor C Roberts, Wm D Jones and C M Worthington. They were presented with their credentials by Advisor Goldstein and give a few instructions.

Police Inspector L V Jenkins was then called upon. He explained that Chief of Police Niles had just returned from the meeting of the International Assn of Chiefs of Police and that he had so much work to do that he could not be present at the meeting. After complimenting Officer Biggs on his high standing in the Police force he told of several things that had happened at the Convention which Chief Niles had attended, and promised that Chief Niles would explain more fully at some later date.

Lt Thompson stated that it would be impossible for the Police Reserve to take over the patrolling of the swimming pools because of the lack of sufficient men, and that this matter had been explained to the Mayor.

Lt Thompson then called upon Lt Pearson for a report on the proposed uniforms. Lt Pearson showed the members a cap and shield, shirt and Melton jacket, and explained that any dark trousers could be used. Lt Knowles suggested that the price of the cap and shield should be taken from the fund of the Police Reserve, and should remain the property of the Police Reserve.

Cards were then passed out to all of the members and Officer Biggs explained that it was necessary for all members of the Police Reserve and of the Auxilliary Police to sign one of these cards. After these cards had been signed and smaller card would be sent to each member showing that he was a member of the Auxilliary Police and he would then receive a gas mask

A regular meeting of the Portland Police Reserve was held on Monday evening September 14, 1942 at 7.45 O'clock in the Council Chambers of the City Hall. The regular Roll was called all but twenty of the members being present or excused

The minutes of the previous meeting were read and approved.

Letters of resignation were read from the following members W C Greene, Don S Naylor, Gerald V Shaw, W C Meeker, Larry Landgraver and E J Casperson. It was necessary for all of these Reserve Officers to resign as all of them had joined the armed forces of the United States.

Reserve Officer Simmons complained about the treatment accorded some of the Reserve Officers during the emergency try out. Lt Thompson answered by stating that while some of the orders may have seemed absurd, the Lieutenants had received the orders and it was up to every man to do his duty and obey the orders given to him. Chief of Police Niles also answered the complaint and stated that the orders for the trial emergency had been issued by the War Board as a test and that the Police Dept was not to blame for some of the hardship suffered by the members of the Police Reserve.

Capt Tyler stated that the Mayor had asked the Police Reserve to patrol seven swimming pools located about the City. This patrol was to be dark to daylight for the duration. Lt Hill asked that each member of the Reserve fill out new change of address slips and also state on the slip his hours of work so that this patrol could be arranged for. The members expressed the wish that if they did take over this patrol that they work two men on four hour shifts.

The question of fresh ammunition was spoken of and Chief of Police Niles stated that if these members who wished fresh ammunition would let their Lieutenants know he would arrange for the new ammunition at a reasonable price.

The question was brought up about members who resigned from the Reserve to join the armed forces of the United States taking their stars with them. Chief Niles stated that if any member wanted to do so that he would see that the stars were replaced.

Chief of Police Niles then presented Detective Youmans who demonstrated the use of the gas mask.

The matter of uniforms for the Reserves was again brought up and after much discussion a motion was made and carried that this matter be left to Chief Niles, Capt Tyler and the Board of Lieutenants and that they pick out a proper uniform.

There being no further business the meeting was adjourned.

The minutes of the October meeting were read and approved. There was no meeting in November as the regular meeting night came on Armistice Day.

The following men having been appointed Police Reserves were then introduced and given their cards and Stars, Arthur E Zerbe, John R Caldwell, Hugh L Angle, Arthur H Bohren, N G Robinson, Oscar F Trueb and Wm W Washburn. They were presented with their credentials by Chaplain Rlenkinsop, who made some very appropriate remarks.

Lt Jack Luihn then introduced the following guests, Mayor Carson, Mayor Elect R E Riley, Commissioner Bennett, Commissioner Bowes, Commissioner Elect Peterson, Commissioner Elect Kenneth Cooper, Philip Parrish, Associate Editor of the Oregonian and Inspector of Police Jenkins. After the introductions several pictures were taken.

Capt Tichenor then called upon the following gentlemen, all of whom made some very fine remarks regarding the good work being done by the Police Reserves and also the Sunshine Division, Mayor Carson, Philip Parrish, Commissioner Elect Peterson and Police Inspector Jenkins.

Capt Tichenor then spoke on the proposition of paying dues and turned the meeting over to the Secretary. The Secretary advised the Reserves that if they wished to have an annual dinner for themselves and their ladies, or if they wished to have Stag parties it would be necessary to raise funds to do so. The only way to raise funds was to sell tickets for a dance, as we had done in the past, or to pay an annual dues, and asked for discussion.

After some discussion a motion was made that there be an annual dues in the Police Reserves of \$3.00 a year. This motion was seconded and upon a standing vote being taken it was carried unanimously.

The Secretary then asked the members how and when they wished to pay the dues, and after some discussion a motion was made that the dues be paid on or before the regular meeting in April of each year. This motion was seconded, and a standing vote was called. The motion was carried unanimously.

The Secretary then announced that the dues was to be paid to him and that all money was to be placed in a special bank account, and that he would make an accounting to the membership each month, stating the amount collected, the amount spent and the amount on hand.

The Secretary then announced that Reserve Officer <sup>STANDLY</sup> would be installed as Master of Sunrise Masonic Lodge on Dec 17, 1940 and asked that all Masonic members of the Reserves be present. Capt Tichenor then spoke on the investigations to be held before Christmas.

There being no further business the meeting was adjourned

A regular meeting of the Portland Police Reserve was held on Monday evening October 14, 1940 oclock in the Council Chambers of the City Hall.

The regular Roll was called all but two members being present or excused.

The minutes of the previous meeting were read and approved.

A letter from Reserve Officer Lowell P Campbell was read, and he advise d the Reserves that because his business had taken him out of town it was necessary for him to resign.

Corp Gerald V Shaw, chairman of the entertainment committee, announced that he and his committee had lined sufficient entertainment for the balance of the year.

Capt Tichenor then spoke regarding a method of raising money for the annual dinner of the Reserves, and for stag parties. This money has heretofore been raised by selling tickets for the annual dance. Most of the members of the Reserve dislike selling tickets and Captian Tichenor thought that it might be a good idea to to charge each member of the Reserve twenty five cents a month as dues, the money so raised to be used for entertainment. He said that he would leave this thought with the members and that there would be a discussion at the next meeting.

Capt Tichenor then called on Mr W T Pangle who spoke regarding a show that the Elks intended holding at the Public Auditorium, all of the proceeds to go to the Sunshine Division. He said that this would be a very fine show and that he wanted the Police Reserves to help in disposing of the tickets.

Capt Tichenor then called upon Lt Jack Luihn and he spoke regarding State relief, and also spoke about the low financial condition of the Sunshine Division.

Capt Tichenor then called upon Corp Gerald V Shaw, who introduced the Speaker of the evening, Police CInspector L V Jenkins. Inspector Jenkins spoke regarding the meeting of the International Assn., of Chiefs of Police, and he then introduced Agent Howard A King of The F B I., who is stationed in Portland. Mr King made a very interesting talk which was enjoyed by all.

Capt Tichenor acknowledged the presence at the meeting of City Commissioner Bennett.

**MEMORANDUM**

**TO** Portland Police Museum

**FROM** Loren Allen *La*

About 20 years ago I came to know casually one of your officers and his two brothers who came to Eugene from time to time to visit their parents' grave. I've forgotten their family name, though it seems that it started with the letter "Z."

At any rate, he told me he was very interested in the Portland Police Museum and I mentioned that I had a piece that he might find interesting and that I would send it to him.

I guess I don't need to explain how time gets away from all of us, how we put things off, etc. etc. At any rate, to make this long story a bit shorter, I am enclosing the item now in the hopes that it will get to someone who can determine whether or not it is of interest to your museum. If so, please entrust it to your curator. If not, then dispose of as you would.
