Emergency Ordinance

***Authorize contract with CenturyLink Communications, LLC, dba Lumen, for ongoing data transport services for three years not to exceed \$4 million**

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. The Office of Management and Finance, Bureau of Technology Services (BTS) is responsible for the support and upkeep of the City's communications systems. To this end, the Bureau of Technology Services provides and supports data transport services for City bureaus.
2. Data and Internet services provide portions of the City's communications infrastructure that allows interconnectivity between City of Portland buildings. Data transfer supports our use of email and Microsoft Teams and other applications. This contract supports and maintains these services to which the City of Portland subscribes.
3. In accordance with City Code 5.33.160, the City is seeking to establish a cooperative contract with CenturyLink Communications, LLC, dba Lumen for broadband services utilizing the State of Oregon, Department of Administrative Services' agreement #9447 PA.
4. CenturyLink Communications, LLC, dba Lumen has a current City of Portland business license tax account, is in compliance with the Equal Benefits Program, and their EEO Certification is current. CenturyLink Communications, LLC dba Lumen is not a COBID certified firm. The Bureau's level of confidence for this contract is high, as there is very good historical information showing purchases made for these types of services for the bureau.

NOW, THEREFORE, the Council directs:
