- 15,000 – 25,000 more trees on public and private property

- **Regenerative agriculture**

- 40,000 square feet land dedicated for regenerative urban farming

- **Organization capacity building**

- 16-20 nonprofits with increased capacity to advance climate justice

Discussion

- High level feedback or comments
- What do you want members of the public to understand about the proposed Climate Investment Plan or the process used to develop it?
- How do you hope to support the CIP's implementation given your role?

Break

Meeting will reconvene at 7:10

Discussion

- High level feedback or comments
- What do you want members of the public to understand about the proposed Climate Investment Plan or the process used to develop it?
- How do you hope to support the CIP's implementation given your role?

Modified consensus decision making process

- **Proposal** – put forth for consideration by Committee member
- **Temperature check** – each Committee member indicates how comfortable they are with making an affirmative decision
- **Discussion** – additional discussion if needed
- **Amendments** – Committee members can offer amendments to the original proposal
- **Decision** – each Committee member can 1) affirm the proposal, 2) stand aside, 3) indicate that “no” they do not support the proposal, or 4) abstain from participating in the decision. Note that standing aside is counted as a decision to affirm for the purposes of approving a proposal.

The following minimum number of affirmative decisions is required for a decision to represent the position of the PCEF Committee.

- When 6 or 7 Committee members are participating in the decision: 5 Affirmative decisions
- When 8 or 9 Committee members are participating in the decision: 6 Affirmative decisions

Draft proposal for the Committee

- I propose that the PCEF Committee recommend the May 2023 draft of the Climate Investment Plan amended with the proposed changes referenced in the document titled "Proposed changes to the May 2023 Draft of the Climate Investment Plan, Updated 7/13/23" to Portland City Council for approval.

Bylaws and working agreements

- Presented by the Bylaws subcommittee

Bylaws – Amendments proposed to conform to PCEF code changes passed in October 2022

- **Role**

- Previous – Make grant funding recommendations to Mayor and City Council
- Amended - Recommend Climate Investment Plan to City Council

- **Language alignment** - Add reference to "workforce priority populations" to match code and add "people experiencing gender-based discrimination in the workplace".

- **Funding areas** – Add "transportation decarbonization" and "other projects that reduce or sequester greenhouse gasses" to match code

- **Meeting frequency** – Change from minimum 10 times/year to 6 times/year to reflect Committee role and provide more flexibility

Working Agreements – Purpose and Structure

- **Purpose** : Provides a framework for accountability between Committee members and articulates the norms of meetings and interactions between Committee members, BPS staff, the media, and interest groups. Can be modified at any time with Committee approval and is to be reviewed every 2 years.
- **Structure**
 - Guiding Principles
 - Commitment to Equity and Anti-Racism
 - Commitment to Community Engagement
 - Commitment to Equity in Governance
 - Committee Member Roles and Leadership
 - Committee Member Conduct
 - BPS Staff Roles and Responsibilities
 - Review and Amendment Process for Working Agreements
 - Appendices : Communications Guidelines and Committee Handbook

Questions and Discussion on Working Agreements

- Are there areas of clarification that you need?
- Are there places that are not matching current practices or are overly aspirational?
- If you have suggestions for edits or questions, send by August 10th to:
 - Subcommittee members Megan & Michael
 - PCEF Staff Mika & Jaimes
