How Do I File a Claim?				
<ol> <li>Notify your supervisor or bureau designee about your injury or illness as soon as possible.</li> </ol>		4 Fax the DILD to FPDR at 503-823-5166 or email a legible photo of the signed DILD to FPDR at <u>fpdr@portlandoregon.gov</u> .		
2 Complete an Injury Log (Police) or an Injury Report (Fire).		<b>5</b> If you send a DILD to FPDR via email, follow up with a phone call to 503-823-6823, to ensure that we have received a legible copy of the DILD.		
3 Immediately, or within 30-days from your injury/illness, complete a Disability in the Line of Duty (DILD) form in its entirety, sign, and date the form.		6 Seek medical attention immediately. Take the FPDR Injured Worker packet containing the DILD, Attending Physician's First Report, and Work Status Report to the doctor for completion and submission to FPDR.		
How Do I Get Medical Treatment?				
<ul> <li>Private Health Care Plan</li> <li>You may receive medical treatment from your primary care physician or a health care provider of your choice who is within your private health plan network and who is a: <ul> <li>Medical doctor (MD)</li> <li>Osteopathic doctor (DO)</li> <li>Chiropractor (DC) for 30 days or 12 visits, whichever first occurs.</li> <li>Podiatrist (DPM)</li> </ul> </li> <li>The urgency of medical treatment is determined by the doctor or provider prescribing the care and is not directed by FPDR or its staff.</li> </ul>		Emergency Room or Urgent Care For treatment of life or limb threatening injuries, go to the nearest emergency room. If you need to go to an emergency room or urgent care facility, you may be treated by a Nurse Practitioner for non-life- threatening injuries. This is allowed for the initial visit. Follow up care should be provided by a MD, DO, DPM or Chiropractor as outlined above. Coordination of Benefits for Moda Health Plan Members FPDR and Moda Health have a Coordination of Benefits program for members who have personal health care benefits outside of the Kaiser Permanente system. FPDR will initiate access to the coordination of benefits program when available to reduce the time needed to obtain urgent diagnostics or other urgent care for work		
related injuries/illnesses. Are There Limitations to my Medical Treatment?				
Pending Period	FPDR does not pay for medical treatment during the pended period of a claim. The "pended" period of a claim is the 60~90-day period following receipt of an application for benefits where a review is conducted to determine a member's entitlement to benefits.			
Pre-certify Treatment	While your claim is pended, your health care provider may wish to pre-certify treatment through your personal health insurer. Please follow their instruction to avoid unnecessary delays in treatment.			
Managed Care Organizations	If your claim is approved, you will be enrolled in one of the Managed Care Organizations (MCO's) FPDR has contracted with to provide occupational health care services. Please see your Injured Worker Packet or the FPDR website for current MCO providers.			
If I Can't Work Will I Receive Payments for Lost Wages?				

## If I Can't Work, Will I Receive Payments for Lost Wages?

If you are unable to work due to your work-related injury or illness, you are eligible for a disability benefit. To be paid a disability benefit FPDR must receive your complete application for benefits which includes your completed and signed DILD, the Work Status Report (WSR) and Attending Physician Report (APR) completed by your doctor.

- 1 Make sure to notify your bureau and timekeeper of your time off work due to the work-related injury or illness.
- 2 Make sure that FPDR has received your signed DILD, the APR and WSR. We cannot pay a disability benefit without this information.

#### Interim Disability Benefit

If you lose time from work while your claim is pended, you will receive an Interim Disability Benefit.

If your claim is denied and the denial becomes final, or if you withdraw your claim, you must repay any Interim Disability Benefit paid to you.

#### Questions about my claim or the filing process?

You may call FPDR and ask for the analyst assigned to your claim or any available disability staff member, or you may contact your FPDR Liaison:

Fire Liaison Cell: 503-278-1473 / Desk: 503-823-3765 Police Liaison Cell: 503-545-3548 / Desk: 503-823-0517

The Bureau of Fire and Police Disability and Retirement (FPDR) is exempt from ORS 656 for on-the-job injuries.
