Which UFC meeting will you provide comment at?            07/23/24  
E-Mail                kathy@emswcd.org

The East Multnomah Soil and Water Conservation District (EMSWCD), would like to express support for the staff's recommendation to remove the sunset clause for the Title 11 Large Tree Amendment. We appreciate The City's dedication to its green infrastructure and have two additional suggestions that we feel would strengthen this policy even further.
