Chapter 14B.10 Burglary and Alarm Systems

(Chapter replaced by Ordinance 189329, effective February 1, 2019.)

14B.10.010 Purpose and Scope.

A. The purpose of this chapter is to provide guidance and policy for alarm users and alarm businesses regarding responsible use of personal and business security and emergency alarms. The procedures herein ensure that owners or leasers of alarm systems and alarm companies know their responsibilities for maintaining the mechanical reliability and the proper use of alarm systems to prevent unnecessary police emergency response to false alarms. Proper use of alarms and accountability for improper use contributes to the protection of the emergency response capability of the City.

B. This chapter governs burglary and robbery alarm systems, states the requirements of permitting systems, provides guidance for excessive false alarm fines, provides for discontinuation and/or reactivation of police response to locations with excessive false alarm occurrences, and establishes a system of administration within the Portland Police Bureau (PPB). Other chapters of the Portland City Code will continue to govern other emergency alarm types, such as fire or environmental hazard alarms.

Alarm businesses shall create and maintain a standard instruction form for this purpose and document the dissemination of this form to consumers.

B. All alarm businesses shall, on an annual basis, submit their standard instruction form to the System Administrator no later than January 31 of each year. If the System Administrator reasonably finds such instructions to be incomplete, misleading, unclear or inadequate, the System Administrator may require the alarm business to revise the instruction to comply with this Chapter and to re-distribute the revised instruction to its alarm users. Penalties for noncompliance should re-instruction be required may include, but not be limited to, fines, costs, or restrictions on local business licenses.

14B.10.050 Duties of the Alarm User.

All alarm users shall:

A. Obtain a permit from the Systems Administrator as outlined above and provide proof of same to the alarm system monitoring company before initial activation.

B. Renew the permit annually for as long as the alarm systems remains at the alarm site.

C. Maintain the premises of the alarm site and the alarm system in a manner that will minimize or eliminate false alarms.

D. Personally come to the alarm site or cause a representative familiar with the system to respond to the alarm site's location within 30 minutes when notified by a representative of PPB to deactivate a malfunctioning alarm system, to provide access to the premises, and/or to provide alternative security for the premises, if necessary.

E. If a business, train all persons who activate the alarm system with its proper codes and operation.

F. If a homeowner or renter, train all adults residing in the home on proper codes and operation.

- G.** Ensure that an alarm system is repaired within seventy-two (72) hours of notification that the system is malfunctioning. The permit holder may cause the alarm system to be deactivated rather than having such system repaired. A deactivated system may not be reactivated until the user verifies that it has been repaired.
- H.** Not manually activate an alarm for any reason other than the occurrence of an event that the alarm system was intended to report.
- I.** Notify the alarm system monitoring company of any extended period of time away from the alarm site, such as vacation, and will leave a responsible person's name and phone numbers with the alarm system monitoring company. This responsible person must be fully trained in the use of the alarm system and have keys and access codes.
- J.** Adjust the mechanism or cause the mechanism to be adjusted so that an alarm signal audible on the exterior of an alarm site shall not sound for longer than 15 minutes after being activated.
- K.** Have a licensed alarm repair company inspect the alarm system after four false alarms within a one calendar year period. If the inspection company finds fault with the system, the alarm user shall ensure, at their own cost, modification or repair of the system to be more false alarm resistant. If the inspection company finds no fault with the system and finds likely user error, the alarm user shall seek additional user training from the manufacturer or seller of the alarm and/or better train other members of the household or business not to set off the alarm.
- L.** Not use automatic voice dialers.
- M.** Maintain at each alarm site a set of written operating instructions for each alarm system, as well as a copy of the alarm permit.
- N.** Provide the alarm system monitoring company with the assigned permit number for the alarm site.
- O.** Retain the option to choose a (DIY) alarm. If their alarm is linked to an alarm monitoring service, then the following direction applies:
 - 1.** The alarm user must obtain a permit from the Alarms Administration Unit prior to activation of the monitoring service.
 - 2.** If their alarm is not linked to an alarm monitoring service, the alarm user does not need to obtain a permit from the System Administrator for an unmonitored system.
 - 3.** Alarm users choosing to have DIY systems with a monitoring service shall be required to have professional installation prior to activation. Proof of professional installation must be provided to the Alarms Administration Unit prior to the issuance of the alarm permit.

14B.10.060 Duties of the Alarm System Monitoring Company.

- A.** Provide training on the proper use and disarming of the purchased alarm system at no additional cost to an alarm user. This training must be offered and, if accepted by the alarm user, provided during the first seven days after installation of an alarm system. If there is a false alarm in the first seven days after installation and prior to the time the alarm system monitoring company provides training, any fees or fines assessed for the false alarm will be charged against and paid by the alarm system monitoring company and not the alarm user. For this reason, alarm system monitoring companies should seek to and may provide this training contemporaneously with installation. If the alarm user declines the offered training, or once the alarm user has already received the training, any fines and fees as a result of a false alarm will be assessed against the alarm user.
- B.** Attempt to verify every alarm signal, except a duress and hold-up alarm activation, before requesting a law enforcement response to an alarm system signal by contacting at least two responsible parties for the alarm system, unless there is only one responsible party listed in customer documents. The first call placed should be to the alarmed premise for a request for the false alarm password. If there is no answer, the alarm system monitoring company must try one or more additional phone numbers in an attempt to reach the alarm user(s) or a designated responsible party.
- C.** Ensure that all alarm users of alarm systems equipped with a duress or hold-up alarm are given adequate training as to the proper usage of these features.
- D.** Communicate to BOEC operators and/or dispatchers any available information about the specific type and location of the alarm signal, e.g., north door, back door, second floor window east side, etc. (as opposed to "Zone 1" or a nondescript term that will not communicate to the responding officer where the problem occurred).
- E.** Communicate to BOEC operators and/or dispatchers the type of alarm activation (silent, audible, interior, perimeter etc.) during an alarm event.
- F.** Provide the alarm user permit number when requested by BOEC.
- G.** Notify the permit holder or their designee of the activation of the alarm system.
- H.** Obtain proof of an active alarm permit from the alarm user prior to installation or activation of the alarm system (or reinstallation or reactivation if the prior permit was canceled by PPB for nonrenewal or nonpayment), document same, and notify the Alarm Administration Unit that proof was supplied prior to installation.

14B.10.070 Requirement for Posting Notice of an Alarm; Violation; Remedy for Failure to Post.

- A.** For a business alarm user (and not a homeowner alarm user), it is unlawful for a person having control of premises where a burglar alarm and/or robbery alarm system exists to fail to have conspicuously posted, where it may be plainly seen by persons outside the premises, notice of the existence of an alarm. The notice must include the name, address, and telephone number of a person who possesses a key and has access to the premises.

B. A violation of this Section may subject the violator to a fine or other civil penalties at the discretion of the System Administrator; however, the System Administrator shall assess no penalties until or unless notice of the violation is provided to the business owner and they fail to cure the violation within 30 days of notification.

14B.10.080 Burglary, Robbery, and Other Police Alarm System Fines and Penalties.

A. Fines shall be assessed by the System Administrator for excessive false alarms during a permit year. The fine and fee schedule shall be set through the annual budget process and subject to review by the City Budget Office with all Portland Police Bureau fees and charges. This is in accordance with guidelines provided in FIN-2.06.

B. The Alarm Administration Unit will send a written notification of any false alarm incident to notify the alarm user, alarm business, and/or alarm system monitoring company. The notice will set forth the fine and the consequences of the failure to pay the fine. The notice shall also acquaint the recipient with the relevant appeals process and their right to appeal the validity of the false alarm to the Administrator or designee in case of absence or leave of service, as provided in Section 14B.10.120.

C. The first false alarm notice in a permit year will not be assessed a fine and instead will act as a warning. No further warnings without a fine may be assessed in a permit year.

D. If the payment of the fine has not been received in the Alarm Administration Unit within 30 days of the date the written notice of fine was mailed by the Administrator, and there is no appeal pending on the validity of the false alarm, the Administrator will send an overdue notice to the alarm user, alarm business, or alarm system monitoring company by certified mail, along with a notice of late fee.

E. If payment of all fines and late fees is not received within 10 days of the day the notice of late fee was mailed, the System Administrator will initiate the no response process according to Section 14B.10.090 and may initiate the enforcement of penalties according to Section 14B.10.150.

F. The payment of any fine shall not be deemed to extend the term of the permit.

14B.10.090 No Response to Excessive Alarms and/or Premises with Cancelled Permits.

A. After a second false alarm, the System Administrator shall send a notification to the alarm user by certified mail, which will contain the following information:

1. That a second false alarm has occurred.
2. That if four or more false alarms occur within the permit year, the System Administrator will direct the Bureau of Emergency Communications to suspend response to further alarm signals.
3. That the alarm user has the right to contest the validity of a false alarm determination by requesting a false alarm validity hearing, and that a request for such a hearing will stay the effect

of a false alarm determination and must be in writing and filed within 10 days of the receipt of the notice of alarm.

B. After a third false alarm in a permit year, the System Administrator need only send to the alarm user via regular mail a Notice of False Alarm and appeal rights. No other communication or action is required of the System Administrator.

C. After a fourth false alarm within the permit year, the System Administrator shall:

- 1.** Direct BOEC to suspend response to subsequent alarms unless instructed to respond by the Chief's Office or their designee pursuant to Section 14B.10.090.
- 2.** Send a suspension notification to the alarm user by certified mail, indicating that PPB will no longer respond to alarms at the alarm site, but that PPB will resume alarm response services if the following conditions are met:
 - a.** Additional monitoring services are added to the permit location, consisting of either audio and/or video verification monitoring or multiple-device trigger systems;
 - b.** any outstanding fees and fines associated with the alarm permit account are paid in full; and
 - c.** the alarm user agrees in writing that a fifth or more false alarm in a permit year will result in a permanent cancellation of all premises use permits and the suspension of police response services for alarm calls for five years, plus triple the amount of fines and fees in the fines and fees schedule.

D. In addition to the notice provided to the alarm user, the System Administrator shall also send a copy of the notice of suspension to BOEC and the alarm system monitoring company.

14B.10.100 Special Permits.

An alarm user required by federal, state, county or municipal statute, regulation, rule or ordinance to install, maintain and operate an alarm system shall be subject to this Chapter, provided:

- A.** A permit shall be designated a special alarm user's permit. An alarm user seeking this type of special permit must submit proof of their eligibility for a special use permit (i.e., the federal, state, or local law requiring an alarm system) along with their permit application. Special alarm use permits shall be issued at the same cost as a regular alarm user permit (except for alarm users over age 62 as outlined in this Chapter).
- B.** A special alarm user's permit for a system which has four false alarms in a permit year shall not be subject to the no response procedure specified but shall pay any fines according to the regular fine schedule according to this Chapter.
- C.** The payment of any fine provided for in Subsection 14B.10.100 B. shall not be deemed to extend the term of the permit.

14B.10.110 Automatic Dialing Device; Certain Interconnections Prohibited.

- A.** It is unlawful for any person to program an automatic dialing device to select a primary trunk line, and it is unlawful for an alarm user to fail to disconnect or reprogram an automatic dialing device which is programmed to select a primary trunk line within 12 hours of receipt of written notice from the Administrator that it is so programmed.
- B.** It is unlawful for any person to program an automatic dialing device to select any telephone line assigned to the City, and it is unlawful for an alarm user to fail to disconnect or reprogram such device within 12 hours of receipt of written notice from the Administrator that an automatic dialing is so programmed.
- C.** A violation of this Section may subject the violator to a fine or other civil penalties at the discretion of the System Administrator; however, the System Administrator shall assess no penalties until or unless notice of the violation is provided to the alarm user and they fail to cure the violation within 30 days of notification.

14B.10.120 Appeals.

- A.** An alarm user may challenge the validity of a false alarm determination by appealing the determination. The appeal request must be in writing (email or standard mail) and must be submitted to the System Administrator within ten days of the alarm user having received Notice of False Alarm. Failure to contest the determination in the required time period results in a conclusive presumption that the alarm was false and waiver of any claims or defenses regarding the false alarm or penalties therefore.
 - 1.** All first time offenses shall be considered a warning and no economic penalty will be applied. Because there are no economic damages, no appeal of a first offense warning will be allowed.
 - 2.** However, first offenses will count toward the cumulative number of offenses in any permit year. Should an alarm user wish to raise on appeal the impropriety of the first offense for purposes of having it not count toward the cumulative permit year total, the alarm user may challenge the validity of their first offense in addition to the validity of the offense that they are currently appealing. The effect of a finding that the first offense was improper shall only act to strike that offense from the permit year total; no economic or other relief is available.
- B.** Appeal requests must include all documentation that a cited alarm user wishes the System Administrator to review. An alarm user appellant may include in this documentation a written statement setting forth their arguments as to facts and defenses. Any written statement shall not exceed 15 pages.
- C.** The Appeal request and all documentation will be reviewed and decided by the System Administrator or designee. In no event will the person reviewing and deciding the appeal also be the person that issued the false alarm determination. The appeal will be decided solely on the documentation presented without testimony, except as noted in Subsection D. below.

D. Alarm users over the age of 62 who have obtained a senior permit and alarm users with a verifiable disability may, as part of their Appeal Request, ask for a telephonic hearing in lieu of submitting written documentation. (Deaf persons or persons with a hearing impairment may also request additional accommodations such as an in-person hearing with the presence of a sign-language interpreter.)

1. If the request for a telephonic hearing is made and approved, the Alarms Administration Unit will contact the requester by telephone or email to schedule a hearing. While the Alarm Administration Unit will schedule the hearing, the alarm user is obligated to attend or call in to the hearing. An alarm user's failure to do so waives their right to present any additional information for consideration of the appeal and will be justification for dismissal of the appeal.
2. In any case where a telephonic hearing (or in-person hearing as a reasonable accommodation) has been held, the appeal will be decided on the basis of the testimony provided and any other relevant documentation submitted, but alarm users will not also be allowed to present a written statement for consideration.
3. Any hearing held shall be informal and not subject to Oregon Rules of Civil Procedure or Oregon Rules of Evidence. The appellant is limited to giving a statement and/or submitting additional documentary evidence and will not engage in eliciting direct testimony or conducting cross-examination.
4. The hearing will be audio tape recorded, but not transcribed. The alarm user may request a copy of the audiotape to be transcribed at their own cost.

E. The System Administrator or designee deciding the appeal will render a decision within 30 days after receipt of the appeal request or after any hearing, as applicable. The System Administrator shall document the decision in writing, setting forth the reasons for the decision, and take any further steps necessary to effectuate their decision. The System Administrator shall, contemporaneously with rendering the written decision, send a copy of the written decision to the alarm user either via regular mail or email (as indicated in their permit application).

F. If the appeal is granted and it is determined that the false alarm at issue did not occur, then the findings will be waived and expunged from an alarm user's record as appropriate, and will not be counted toward the yearly permit amount for any other purposes of this Chapter. If the appeal is denied and the false alarm designation remains on the alarm user's record, the Administrator may pursue fine collection and/or permit cancellation as set out in this Chapter.

14B.10.130 Sound Emission Cutoff Feature.

A. Alarm systems which can be heard outside a building, structure or facility of the alarm user shall be equipped with a sound emission cutoff feature which will stop the emission of sound 15 minutes or less after the alarm is activated.

B. When an alarm system may be heard outside a building, structure or facility for more than 15 minutes continuously or intermittently, and the alarm owner or alarm system monitoring company is not readily available or able to silence the device, PPB is authorized to enter the premises and physically disconnect the sounding device. The alarm owner shall be liable for the cost of, or associated with,

disconnecting and reconnecting the alarm. Neither the City nor its officers, agents or employees shall be liable for such costs.

14B.10.140 Confidentiality and Statistics.

A. All information submitted in compliance with this Chapter shall be deemed a public record. Applicable privacy and confidentiality exemptions pursuant to ORS 192.502 shall be applied to any requests to records regarding this Chapter. The Administrator shall be charged with the sole responsibility for the maintenance, disclosure, retention, and destruction after expiration of the retention schedule of all records of any kind whatsoever under this Chapter.

B. Subject to the requirements of confidentiality, the Administrator may develop and maintain statistics having the purpose of assessing alarm system, alarm business, and alarm system monitoring company performance and compliance.

14B.10.150 Code Enforcement Actions; Penalties.

A. Enforcement of this ordinance may be by civil action as provided in ORS 30.315, or by criminal prosecution.

B. Violation of this ordinance shall be punishable upon conviction by a fine of not more than \$500.

C. The failure or omission to comply with any Section of this ordinance shall be deemed a violation and may be so prosecuted, subject to the penalty provided in paragraph B. of this Section.

14B.10.160 Liability.

Law enforcement response to an alarm may be based on factors such as: availability of police units, priority of calls, weather conditions, traffic conditions, emergency conditions, staffing levels and other factors. For these reasons, the permitting of an alarm system and regulation thereof by PPB is not intended to, nor will it, create a contract, duty or obligation, or special relationship, either expressed or implied, between the City and an alarm user, assuring police response to the alarm. Any and all liability and consequential damages that may result from PPB's failure to respond to an alarm notification is subject to governmental immunity as provided by law and is retained.

Chapter 14B.20 Drug-Free Zones

(Chapter replaced by Ordinance 179995, effective date April 14, 2006)

14B.20.010 Drug-Free Zones.

A. For the purposes of this chapter, the following definitions apply:

- 1.** Arrest: to place a person under actual or constructive restraint or to take a person into custody for the purpose of charging that person with an offense.
- 2.** Essential needs: food, physical care, and medical attention.

3. Reside: to occupy one's principal dwelling; including transient occupancy in a hotel or motel.

4. Travel: the movement on foot or within or upon a vehicle within a drug-free zone from one point to another without delay other than to obey traffic control devices.

B. Drug-free zones are those areas of the City as designated by the City Council under Chapter 14B.20 of this Code, which are areas where the number of arrests where there was probable cause to believe a person has committed any of the offenses enumerated in Section 14B.20.030 for a twelve (12) month period within the 18 months preceding its designation is significantly higher than that for other similarly sized geographic areas of the City that are not located within a drug-free zone.

14B.20.020 Designation of Drug-Free Zones.

(Amended by Ordinance 180884, effective April 11, 2007.)

A. If the City Council designates an area meeting the criteria of Section 14B.20.010 of this Code to be a drug-free zone, Council shall do so by ordinance. The designation shall be valid for a period of three (3) years.

B. The office of the Chief of Police of the Portland Police Bureau is directed to report to City Council at least ninety (90) days before the end of the period referred to in section 14B.20.020 A., as to whether there is a need to re-configure the drug-free zones enumerated in 14B.20.070.

C. This Chapter, and the procedures and exercise of exclusion authority it contains, are valid until September 30, 2007.

D. The office of the Chief of Police of the Portland Police Bureau is directed to report to City Council at least ninety (90) days before the expiration of this Chapter as to whether there is a need to re-authorize this Chapter.

14B.20.030 Civil Exclusion.

(Amended by Ordinance 180213, effective June 14, 2006.)

A. A person is subject to exclusion under the process described in this chapter for a period of ninety (90) days from any public right of way and park within a drug-free zone designated in Code Chapter 14B.20 if that person has been arrested and either cited to appear in court for charging or lodged in jail for presentation to a magistrate for charging based upon probable cause to believe that the person has committed any of the following offenses within that drug-free zone, unless the offense was committed entirely within a private residence:

- 1.** Attempt to unlawfully possess a controlled substance, in violation of ORS 161.405;
- 2.** Criminal solicitation to unlawfully possess a controlled substance in violation of ORS 161.435;
- 3.** Criminal conspiracy to unlawfully possess a controlled substance in violation of ORS 161.450;
- 4.** Any violation of any of the controlled substance offenses described in:

- a.** ORS 475.840;
- b.** ORS 475.846 through 475.894;
- c.** ORS 475.904; or
- d.** ORS 475.910; except
- e.** Possession of less than an ounce of marijuana under ORS 475.864(3) shall not be a basis for exclusion.

- 5.** Criminal conspiracy to unlawfully deliver a controlled substance in violation of ORS 161.450;
- 6.** Attempt to unlawfully deliver an imitation controlled substance, in violation of ORS 161.405;
- 7.** Criminal conspiracy to unlawfully deliver an imitation controlled substance in violation of ORS 161.450; or
- 8.** Unlawful delivery of an imitation controlled substance, in violation of ORS 475.912.

B. A one (1) year exclusion from any public right of way and park within a drug-free zone shall take effect upon the day after conviction for any of the offenses enumerated in Subsection A of this Section if that offense was committed within that drug-free zone and the person was both given actual notice prior to the exclusion that the City would impose a one-year exclusion upon conviction and notified of the right of appeal and the process for initiating an appeal.

C. A person excluded from a drug-free zone under authority of this Section may not enter that drug-free zone except to travel to and from and be present at the events and locations listed below:

- 1.** Attend a meeting with an attorney;
- 2.** Attend a scheduled initial interview with a social service provider;
- 3.** Comply with court-or corrections-ordered obligations;
- 4.** Contact criminal justice personnel at a criminal justice facility;
- 5.** Attend any administrative or judicial hearing relating to an appeal of:
 - a.** the person's notice of exclusion; or
 - b.** the denial, revocation, or amendment of the person's variance;
- 6.** Travel through that drug-free zone on a Tri-Met vehicle; or
- 7.** Travel through that drug-free zone on the I-5, I-84 or I-405 freeways within its boundaries;
- 8.** Reside in a dwelling or facility;

9. Satisfy, or attempt to satisfy an essential need by accessing a public or private place that provides an essential need or service when the essential need cannot reasonably be satisfied by the excluded person without entering the drug-free zone;

10. Obtain social services when:

- a. the excluded person is in need of social services;
- b. the social services are sought for reasons relating to the health or well-being of the excluded person; and
- c. the social services agency has written rules and regulations prohibiting the unlawful use and sale of controlled substances by their clients.

11. Obtain education by:

- a. Enrolling as a student at an educational facility; or
- b. attending school at an educational facility.

12. Work as the owner, principal, agent or employee at a place of lawful employment;

13. Perform work directly related to lawful employment;

14. Be present at any place or event as specified by a variance issued by the Chief of Police or designee pursuant to 14B.20.060 B.

D. An exclusion is valid only if the person to be excluded received actual notice of the exclusion as required by 14B.20.050; including notice of the limitations to the exclusion contained in 14B.20.020.

E. An exclusion is not valid if the probable cause on which it is based consists of mere use or effects of use of controlled substances rather than criminal acts concerning controlled substances as defined by Oregon statute, whether or not the person subject to exclusion pursues an appeal of the exclusion.

14B.20.035 Violation of an exclusion - penalties.

A. It is unlawful for a person to enter or remain in a drug-free zone in violation of a valid exclusion imposed pursuant to this Code. For violation of this subsection, a court may impose a fine of no more than \$500 or imprisonment of no more than 30 days, or both.

B. A person who enters or remains in a drug-free zone in violation of a valid exclusion issued pursuant to this Code is subject to arrest for Criminal Trespass (ORS 164.245).

14B.20.040 Issuance of Exclusion Notices.

The Chief of Police and/or designees are the persons in charge of the public rights of way and parks in the drug-free zones for purposes of issuing notices of exclusion in accordance with this Chapter.

14B.20.050 Procedure.

- A.** If a person is arrested and either cited to appear in court for charging or lodged in jail for presentation to a magistrate for charging based upon probable cause to believe that the person has committed any of the offenses enumerated in Subsection A. of Section 14B.20.030 within a drug-free zone, the Chief of Police and/or designees may exclude that person from that drug-free zone. Every person excluded shall be provided a notice of exclusion and variances substantially similar to Exhibit C attached to Ordinance No. 179995. Additions to the notice of exclusion that increase the scope of the exclusion from that described in Exhibit C render the notice and the exclusion invalid.
- B.** At the time a person is issued a notice of exclusion from a drug-free zone, the Chief of Police and/or designees may discuss with the excluded person whether the person has a plausible need for a variance and may issue a variance pursuant to the process described in subsection B of Section 14B.20.060.
- C.** The notice of exclusion shall be in writing and a copy delivered to the excluded person. The notice of exclusion shall include the following:
- 1.** A description of the areas designated as a drug-free zone in Section 14B.20.070 from which that person is excluded; and
 - 2.** Information concerning the right to appeal the exclusion to the Code Hearings Officer as provided in Chapter 22.10 of this Code.
 - 3.** Notice that conviction of the offense for which the person was arrested and excluded will result in a one-year exclusion and information concerning the right to appeal a conviction-based exclusion to the Code Hearings Officer as provided in Chapter 22.10 of this Code.

14B.20.060 Appeal, Review and Variances.

- A.** A ninety (90) day exclusion shall take effect at 12:01 a.m. on the 22nd calendar day following issuance of the notice of exclusion if the person issued the notice of exclusion has not filed an appeal as provided in this Chapter and a Code Hearing Officer has reviewed a police report documenting the exclusion notice and has found that the report presents credible evidence that supports probable cause to believe the person:
- 1.** committed any of the offenses enumerated in Subsection A of Section 14B.20.030 within a drug-free zone.
 - 2.** received the notice required by 14B.20.050 A.
- B.** If a person issued a notice of exclusion files an appeal as provided in this Chapter, imposition of a ninety (90) day exclusion shall be stayed pending a final, enforceable decision upholding the exclusion.
- C. APPEAL.** A person to whom notice of exclusion is issued shall have a right to appeal as follows:
- 1.** Appeals shall be made to the Code Hearings Officer of the City of Portland. Any hearings regarding such appeals shall be conducted in accordance with Chapter 22.10 of this Code.

- 2.** Copies of documents in the City's control which are intended to be used at the hearing shall be made available, upon request, to the appellant.
- 3.** An appeal of a ninety (90) day notice of exclusion must be filed, in writing, by 5:00 p.m. of the fifteenth calendar day following issuance of the notice of exclusion.
- 4.** An appeal of a one (1) year conviction-based exclusion must be filed, in writing, by 5:00 p.m. of the fifth business day following the date of conviction.
- 5.** An appeal of:
 - a.** a denial of a request for a variance; or
 - b.** a denial of a request for an amendment to a variance; or
 - c.** a revocation or amendment of a variance must be filed, in writing, by 5:00 p.m. of the fifth business day following the action regarding the variance.
- 6.** A ninety (90) day exclusion shall not take effect during the time that an appeal of the ninety (90) day exclusion is pending.
- 7.** A one (1) year conviction-based exclusion shall take effect at 12:01 a.m. on the calendar day following the date of conviction and, notwithstanding an appeal of the exclusion, shall remain in effect unless the Code Hearings Officer issues a contrary decision.
- 8.** At the hearing on an appeal of a ninety (90) day exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant committed any of the offenses enumerated in Subsection A. of Section 14B.20.030, and that the conduct supporting the exclusion occurred within a drug-free zone.
- 9.** At the hearing on an appeal of a one (1) year conviction-based exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant was convicted of any of the offenses enumerated in Subsection A. of Section 14B.20.030, and that the conduct supporting the conviction occurred within a drug-free zone.
- 10.** At the hearing on an appeal of a denial of a request for a variance as provided in 14B.20.060 C.5.a., the City shall have the burden to show by a preponderance of the evidence that the denial was in accordance with this Section.
- 11.** At the hearing on an appeal of a denial of a request for an amendment to a variance as provided in 14B.20.060 C.5.b., the City shall have the burden to show by a preponderance of the evidence that the denial was in accordance with this Section.
- 12.** At the hearing on an appeal of a revocation or amendment of a variance as provided in 14B.20.060 C.5.c., the City shall have the burden to show by a preponderance of the evidence that any of the conditions enumerated in this Section supporting revocation or amendment existed at the time of revocation or amendment.

13. At the hearing on an appeal of a ninety (90) day exclusion, the following shall be prima facie evidence that the exclusion was based on probable cause to believe that the appellant committed any of the offenses enumerated in Section 14B.20.030 A.:

- a.** A determination by a court having jurisdiction over the offense that forms the basis for the exclusion, that probable cause existed to arrest the person to whom the initial ninety (90) day notice of exclusion was issued for violation of any of the offenses enumerated in Section 14B.20.030 A.; or
- b.** An accusatory instrument charging the person to whom a ninety (90) day notice of exclusion was issued, for violation of any of the offenses enumerated in Section 14B.20.030 A.

14. At the hearing on an appeal of a one (1) year conviction-based exclusion, a judgment of conviction for any of the offenses that formed the basis for the exclusion, as enumerated in Section 14B.20.030 A., shall be conclusive evidence that the described conduct occurred, but, absent a finding of fact by the court of conviction, is not conclusive evidence that the conduct occurred in a drug-free zone.

D. VARIANCES. Variances modify an exclusion, and shall be granted, denied, amended or revoked in accordance with the following provisions:

- 1.** All variances shall be in writing and shall state the purpose for which they are granted and the period of time during which they are effective. A variance that does not describe its period of effectiveness is effective for the duration of the exclusion. A variance allows relief from an exclusion only for travel to and from specified locations, activities or events, and presence at specified locations, activities and events within a drug-free zone.
- 2.** All Police Bureau Precincts shall receive and process requests for Drug-Free or Prostitution Free Zone variances during regular business hours if they are otherwise open to the public. This capability will be maintained at the main precinct station or at a sub-station.
- 3.** Variance. The Chief of Police and/or designees may, for any reason, grant an excluded person a variance from an exclusion at any time during an exclusion period. Except as described in 14B.20.050 B., the Chief of Police and/or designees shall grant an appropriate variance to an excluded person who presents a plausible need to engage in any non-criminal activity that is not associated with the behavior supporting the person's exclusion. A variance granted under this Subsection allows travel within the drug-free zone only in accordance with the terms specified in the variance. The Chief of Police or designees will ask a person requesting a variance to provide and update an address through which the person can be reached for the duration of the variance in the event the City determines there is a need to amend or revoke the variance.

E. REVOCATION OR AMENDMENT OF VARIANCES. A variance may be revoked or amended for the following reasons and in the following manner:

- 1.** The excluded person provided false information in order to obtain the variance;

2. There is probable cause to believe the person has committed any of the offenses enumerated in Section 14B.20.030 A. in the drug-free zone subsequent to the issuance of the variance;
3. The circumstances giving rise to the issuance of the variance no longer support a continuation of the variance or a term thereof;
4. If the person presents new circumstances that would support amending the variance; or
5. A revocation or amendment of a variance becomes effective at 5:00 p.m. of the fifth business day following mailing of notice of the action to the excluded person at the address provided pursuant to 14B.20.060 B.1. unless the excluded person appeals the determination by following the procedures in 14B.20.060 A.5.c.

14B.30.020 Designation of Prostitution-Free Zones.

(Amended by Ordinance 180885, effective April 11, 2007.)

B. A person who enters or remains in a prostitution-free zone in violation of an exclusion issued pursuant to this Code is subject to arrest for Criminal Trespass (ORS 164.245).

14B.30.040 Issuance of Exclusion Notices.

The Chief of Police and/or designees are the persons in charge of the public rights of way and parks in the prostitution-free zones for purposes of issuing notices of exclusion in accordance with this Chapter.

14B.30.050 Procedure.

A. If a person is arrested and either cited to appear in court for charging or lodged in jail for presentation to a magistrate for charging based upon probable cause to believe that the person has committed any of the offenses enumerated in Subsection 14B.30.030 A. within a prostitution-free zone, the Chief of Police and/or designees may exclude that person from that prostitution-free zones. Every person excluded shall be provided a notice of exclusion and variances substantially similar to Exhibit C attached to Ordinance No. 179996. Additions to the notice of exclusion that increase the scope of the exclusion from that described in Exhibit C render the notice and the exclusion invalid.

B. At the time a person is issued a notice of exclusion from a prostitution-free zone, the Chief of Police and/or designees may discuss with the excluded person whether the person has a plausible need for a variance and may issue a variance pursuant to the process described in 14B.30.060 B.

C. The notice of exclusion shall be in writing and a copy delivered to the excluded person. The notice of exclusion shall include the following:

1. A description of the area designated as a prostitution-free zone in Section 14B.30.070 from which that person is excluded;

3. Notice that conviction of the offense for which the person was arrested and excluded will result in a one-year exclusion and information concerning the right to appeal a conviction-based exclusion to the Code Hearings Officer as provided in Chapter 22.10 of this Code.

14B.30.060 Appeal, Review and Variances.

A. A ninety (90) day exclusion shall take effect at 12:01 on the 22nd calendar day following issuance of the notice of exclusion if the person issued the notice of exclusion has not filed an appeal as provided in this Chapter and a Code Hearings Officer has reviewed a police report documenting the exclusion notice and has found that the report presents credible evidence that supports probable cause to believe the person:

1. committed any of the offenses enumerated in Subsection A of Section 14B.30.030, and ;
2. received the notice required by 14B.30.050 A.

B. If a person issued a notice of exclusion files an appeal as provided in this chapter, imposition of a ninety (90) day exclusion shall be stayed pending a final, enforceable decision upholding the exclusion.

C. APPEAL. A person to whom a notice of exclusion is issued shall have a right to appeal as follows:

1. Appeals shall be made to the Code Hearings Officer of the City of Portland. Any hearings regarding such appeals shall be conducted in accordance with Chapter 22.10 of this Code.
2. Copies of documents in the City's control which are intended to be used at the hearing shall be made available, upon request, to the appellant.
3. An appeal of a ninety (90) day notice of exclusion must be filed, in writing, by 5:00 p.m. of the fifteenth calendar day following issuance of the notice of exclusion.

5. An appeal of:
 - a. a denial of a request for a variance; or
 - b. a denial of a request for an amendment to a variance; or
 - c. a revocation or amendment of a variance must be filed, in writing, by 5:00 p.m. of the fifth business day following the action regarding the variance.

- 6.** A ninety (90) day exclusion shall not take effect during the time that an appeal of the ninety (90) day exclusion is pending.
- 7.** A one (1) year conviction-based exclusion shall take effect at 12:01 a.m. on the calendar day following the date of conviction and, notwithstanding an appeal of the exclusion, shall remain in effect unless the Code Hearings Officer issues a contrary decision.
- 8.** At the hearing on an appeal of a ninety (90) day exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant committed any of the offenses enumerated in Subsection 14B.30.030 A., and that the conduct supporting the exclusion occurred within a prostitution-free zone.
- 9.** At the hearing on an appeal of a one (1) year conviction-based exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant was convicted of any of the offenses enumerated in Subsection 14B.30.030 A., and that the conduct supporting the conviction occurred within a prostitution-free zone.
- 10.** At the hearing on an appeal of a denial of a request for a variance as provided in 14B.30.060 C.5.a., the City shall have the burden to show by a preponderance of the evidence that the denial was in accordance with this Section.
- 11.** At the hearing on an appeal of a denial of a request for an amendment to a variance as provided in 14B.30.060 C.5.b., the City shall have the burden to show by a preponderance of the evidence that the amendment was in accordance with this section.
- 12.** At the hearing on an appeal of a revocation or amendment of a variance as provided in 14B.30.060 C.5.c., the City shall have the burden to show by a preponderance of the evidence that any of the conditions enumerated in this Section supporting revocation or amendment existed at the time of revocation or amendment.
- 13.** At the hearing on an appeal of a ninety (90) day exclusion, the following shall be prima facie evidence that the exclusion was based on probable cause to believe that the appellant committed any of the offenses enumerated in Subsection 14B.30.030 A.:
 - a.** A determination by a court having jurisdiction over the offense that forms the basis for the exclusion, that probable cause existed to arrest the person to whom the initial ninety (90) day notice of exclusion was issued for violation of any of the offenses enumerated in Subsection 14B.30.030 A.; or
 - b.** An accusatory instrument charging the person to whom a ninety (90) day notice of exclusion was issued, for violation of any of the offenses enumerated in Subsection 14B.30.030 A.
- 14.** At the hearing on an appeal of a one (1) year conviction-based exclusion, a judgment of conviction for any of the offenses that formed the basis for the exclusion, as enumerated in Subsection 14B.30.030 A., shall be conclusive evidence that the described conduct occurred but, absent a finding of fact by the court of conviction, is not conclusive evidence that the conduct occurred in a prostitution-free zone.

D. VARIANCES. Variances modify an exclusion, and shall be granted, denied, amended, or revoked in accordance with the following provisions:

1. All variances shall be in writing and shall state the purpose for which they are granted and the period of time during which they are effective. A variance that does not describe its period of effectiveness is effective for the duration of the exclusion. A variance allows relief from an exclusion only for travel to and from specified locations, activities or events, and presence at specified locations, activities and events within a prostitution-free zone.
2. All Police Bureau Precincts shall receive and process requests for Drug-Free or Prostitution-Free Zone variances during regular business hours if they are otherwise open to the public. This capability will be maintained at the main precinct station or at a sub-station.
3. Variance. The Chief of Police and/or designees may, for any reason, grant an excluded person a variance from an exclusion at any time during an exclusion period. Except as described in 14B.30.050 B., the Chief of Police and/or designees shall grant an appropriate variance to an excluded person who presents a plausible need to engage in any non-criminal activity that is not associated with the behavior supporting the person's exclusion. A variance granted under this Subsection allows travel within the prostitution-free zone only in accordance with the terms specified in the variance. The Chief of Police or designees will ask a person requesting a variance to provide and update an address through which the person can be reached for the duration of the variance in the event the City determines there is a need to amend or revoke the variance.

E. REVOCATION OR AMENDMENT OF VARIANCES. Variances may be revoked or amended for the following reasons and in the following manner:

1. The excluded person provided false information in order to obtain the variance;
2. There is probable cause to believe the person has committed any of the offenses enumerated in Subsection 14B.30.030 A. in the prostitution-free zone subsequent to the issuance of the variance;
3. If the circumstances giving rise to the issuance of the variance no longer support a continuation of the variance or a term thereof;
4. If the person has new circumstances that would support amending the variance; or
5. A revocation or amendment of a variance becomes effective at 5:00 p.m. of the fifth business day following mailing of notice of the action to the excluded person at the address provided pursuant to 14B.30.060 B.1. unless the excluded person appeals the determination by following the procedures in 14B.30.060 A.5.c.

- 1.** The Manager may summarily abate any graffiti on any utility poles and cabinets, on exterior walls and fences immediately abutting public streets or property, or on any public property, including but not limited to traffic signs and lights.
- 2.** Whenever the Manager has reasonable cause to believe that there exists upon any building or structure any graffiti requiring abatement under this Chapter, the Manager may enter upon the graffiti nuisance property at all reasonable times to perform any duty imposed on the Manager under this Chapter, and to enforce the provisions of this Chapter. Upon the failure to comply with the notice of abatement by the designated compliance date, and if the property owner or occupant has not appealed the notice as provided under Subsection C., the following steps may be taken if the graffiti nuisance property is plainly enclosed to create privacy and prevent access by unauthorized persons:
 - a.** If the graffiti nuisance property is occupied, the Manager shall first present proper credentials and demand entry to cause the graffiti to be abated. If entry is refused, the Manager may attempt to secure entry by any legal means.

b. If the graffiti nuisance property is unoccupied, the Manager shall first make a reasonable attempt to locate the owner or occupant and demand entry. Such demand may be included in the initial notice sent to the owner or occupant under Subsection B. above. If entry is refused, the Manager may attempt to secure entry by any legal means.

(1) If the Manager has first obtained an administrative search warrant to secure entry onto the graffiti nuisance property to abate the graffiti, no owner or occupant shall refuse, fail or neglect, after proper request, to promptly permit entry by the Manager to abate the graffiti.

(2) It shall be unlawful for any owner or occupant to refuse to permit entry by the Manager to abate graffiti under this Chapter after an administrative search warrant has been obtained. Any violation of this Subsection is punishable upon conviction by a fine of not more than \$500 and a jail sentence of up to six months.

c. If the graffiti is not removed and abated, or cause shown, as specified above, the Manager may cause the graffiti to be removed and abated upon issuance of an Administrative Search warrant.

(1) Graffiti Abatement. If the graffiti is not removed and abated, or cause shown, as specified above, the Manager may cause the graffiti to be removed and abated.

(2) Warrants. The Manager may request any Circuit Court judge to issue a graffiti abatement warrant whenever entry onto private property is necessary to remove and abate any graffiti.

(3) Grounds for Issuance of Graffiti Abatement Warrants; Affidavit.

(a) Affidavit. A graffiti abatement warrant shall be issued only upon cause, supported by affidavit, particularly describing: the applicant's status in applying for the warrant; the ordinance or regulation requiring or authorizing the removal and abatement of the graffiti; the building or property to be entered; the basis upon which cause exists to remove or abate the graffiti, and a statement of the graffiti to be removed or abated.

(b) Cause. Cause shall be deemed to exist if there is reasonable belief that a graffiti violation exists, as defined in this Chapter, with respect to the designated property, and that the property owner has been given notice and an opportunity to abate the graffiti, and has not responded in a timely fashion.

(4) Procedure for Issuance of a Graffiti Abatement Warrant.

(a) Examination. Before issuing a graffiti abatement warrant, the judge may examine the applicant and any other witness under oath and shall be satisfied of the existence of grounds for granting such application.

(b) Issuance. If the judge is satisfied that cause for the removal and abatement of any graffiti nuisance exists and that the other requirements for granting the application are satisfied, the judge shall issue the graffiti abatement warrant, particularly describing the person or persons authorized to execute the warrant, the property to be entered, and a statement of the general types and estimated quantity of the items to be removed or conditions abated. The warrant shall contain a direction that it be executed on any day of the week between the hours of 8:00 a.m. and 6:00 p.m., or where the judge has specially determined upon a showing that it cannot be effectively executed between those hours, that it be executed at any additional or other time of the day or night.

(c) Police Assistance. In issuing a graffiti abatement warrant, the judge may authorize any peace officer, as defined in Oregon Revised Statutes, to enter the described property to remove any person or obstacle and to assist the representative of the bureau in any way necessary to enter the property and, remove and abate the graffiti.

(5) Execution of Graffiti Abatement Warrants.

(a) Occupied Property. Except as provided in 14B.80.040 D.2., in executing a graffiti abatement warrant, the person authorized to execute the warrant shall, before entry into the occupied premises, make a reasonable effort to present the person's credentials, authority and purpose to an occupant or person in possession of the property designated in the warrant and show the occupant or person in possession of the property the warrant or a copy thereof upon request. A copy of the warrant shall be left with the occupant or the person in possession.

(b) Unoccupied Property. In executing a graffiti abatement warrant on unoccupied property, the person authorized to execute the warrant need not inform anyone of the person's authority and purpose, as prescribed in 14B.80.040 D.2.c.(5)(a), but may promptly enter the designated property if it is at the time unoccupied or not in the possession of any person or at the time reasonably believed to be in such condition. In such case a copy of the graffiti abatement warrant shall be conspicuously posted on the property.

(c) Return. A graffiti abatement warrant must be executed within 10 working days of its issue and returned to the judge by whom it was issued within 10 working days from its date of execution. After the expiration of the time prescribed by this subsection, the warrant unless executed is void.

E. Graffiti Abatement Consent Forms.

1. The Manager shall develop consent forms allowing the Manager to enter onto property to abate the graffiti without prior notice from the Manager. The Manager shall make these consent forms available to the public.

2. Property owners and occupants may request and sign consent forms for allowing graffiti abatement. The Graffiti Abatement Manager shall renew the consent forms at least biannually.

The Code Hearings Officer may impose civil penalties of up to \$15,000 for second violations of this Chapter by the same person. - 2.** The economic or financial benefit accruing or likely to accrue as a result of the violations;
- 3.** Whether the violations were repeated or continuous, or isolated and temporary;

4. The magnitude and seriousness of the violation;
5. The City's costs of investigating the violations and correcting or attempting to correct the violation; and,
6. Any other factors the Code Hearings Officer may deem to be relevant.

D. The Manager's decision to file a complaint under subsection A seeking civil penalties for any violations of this Chapter shall be an exclusive choice of remedies for enforcement of the requirements of this Chapter for those violations. In such cases, no criminal penalties may be imposed under Section 14B.85.040.

14B.85.040 Criminal Penalties.

Except as provided in Section 14B.85.030, the intentional or knowing violation of any provision of this Chapter is punishable upon conviction by a fine of not more than \$500 or by imprisonment for not more than 6 months, or both.

Chapter 14B.90 Secondhand Dealers

(Chapter replaced by Ordinance 181303, effective October 26, 2007.)

14B.90.010 Purpose.

(Amended by Ordinance 188976, effective June 29, 2018.)

The Council's purpose in adopting this Chapter is to regulate certain business activities that present an extraordinary risk of being used by criminals to dispose of stolen property. The Council finds that this risk is present despite the best efforts of legitimate secondhand dealer businesses because these businesses process large volumes of goods and materials that are frequently the subject of theft. This Chapter is intended to reduce this type of criminal activity by providing timely police awareness of such property transactions and by regulating the conduct of Persons engaged in this business activity. The Council finds that these regulations are necessary and the need for the regulations outweighs any anti-competitive effect that may result from their adoption.

All other provisions of Section 14B.90.090 remain in effect.

2. Requirements of Held Property: All Held Property must remain in the same form as when received, must not be sold, dismantled or otherwise disposed of, and must be kept separate and apart from all other property during the holding period to prevent theft or accidental sale and to allow for identification and examination by the Revenue Division or Police Bureau. Held Property must be kept at the Business Location during this holding period so that it can be inspected during normal business hours (as provided in Section 14B.90.110). Held Property, other than property on Police Hold, may be held in a place within public view, as long as the other requirements of the Subsection are met.

B. Notwithstanding Subsection 14B.90.090 A., the Director may determine that certain types of transactions pose a reduced risk of being an outlet for the sale of stolen property and therefore may modify the hold period and/or reporting requirements for those types of transactions. Those transactions and the modified requirements are described in the Administrative Rules.

C. Upon reasonable belief that an item of Regulated Property is the subject of a crime, any peace officer may provide notice to any Dealer that a specifically described item of Regulated Property must be held in a separate Police Hold area for a period not to exceed 30 days from the date of notification, and is subject to the requirements of Subsection 14B.90.090 A.2 above. The hold may be extended an additional 30 days upon notice provided to the Dealer that additional time is needed to determine whether a specific item of Regulated Property is the subject of a crime. The Dealer shall comply with the hold notice and notify the Chief of Police of the hold notice not later than five calendar days from the day the notice was received, either by telephone, fax, email, or in person. A Dealer must notify the Chief of Police of their intent to dispose of any item of Regulated Property under Police Hold at least 10 days prior to doing so.

1. A Police Hold area must meet the following criteria:

- a.** Located out of public view and access, and
- b.** Marked "Police Hold," and
- c.** Contain only items that have been put on Police Hold.

2. Dealers may maintain up to three Police Hold areas as necessary for the safe storage of high value items, physically large items, and general merchandise put on Police Hold.

3. If it is not possible or practical to move an item to or store an item in the Police Hold area, a Dealer may submit a written request to the Chief of Police for approval to keep the item with other Held Property. Approval may be granted with the understanding that the item will be clearly marked as being on Police Hold and kept from public view and access.

D. Upon probable cause that an item of property is the subject of a crime, the Chief of Police may take physical custody of the item or provide written notice to any Dealer to hold such property for a period of

time as determined by the Chief of Police, not to exceed the statute of limitations for the crime being investigated. Any property placed on hold pursuant to this subsection is subject to the requirements found in Subsection 14B.90.090 A.2., and will be maintained in the Police Hold area unless seized or released by the Police. Seizure of property will be carried out in accordance with Oregon Revised Statutes.

E. If a Dealer acquires Regulated Property with serial numbers, personalized inscriptions or initials, or other identifying marks which have been destroyed or are illegible due to obvious normal use, the Dealer must continue to hold the property at the Business Location for a period of 90 full days after acquisition. The Dealer must notify the Portland Police Bureau by adding "90 day hold" to the description of the item in the transaction record, along with a notation of what kind of information has been destroyed or is illegible. The Held Property must conform to all the requirements found in Subsection 14B.90.090 A.2.

F. If a Dealer receives information that leads to an objectively reasonable basis to believe that any property already at their Business Location has been previously lost or stolen, they must report that belief to the Portland Police Bureau by day's end. The notice must include the reporting system item number and any additional information regarding the name of the owner, if known.

G. If a peace officer seizes any property from a Dealer; the Dealer must notify the Portland Police Bureau of the seizure not later than five calendar days from the day the seizure occurs. The Dealer must provide the name of the agency, the name of the peace officer, the number of the receipt left for the seizure, and the seized property information. Notification to the Police Bureau may be given by telephone, fax, email, or in person.

14B.90.095 Release of Held or Seized Property.

(Added by Ordinance 188976, effective June 29, 2018.)

Items held or seized under Subsection 14B.90.090 D. may not be released to anyone other than the Dealer unless the property is released to:

A. Another law enforcement agency that has provided documentation to the satisfaction of the Chief of Police of the stolen status of the property, or

B. A Person who reported the property as stolen; and

1. A stolen property report has been filed with a law enforcement agency where making an untruthful report is a violation of the law, and

2. A notice has been delivered to the Dealer holding the property or from whom the property was seized.

a. The required notice will state that the property will be released to the Person who has filed the stolen property report unless the Dealer or pawner/Seller files a motion for return of seized property within 10 days of the date of the notice and in the manner set forth in the notice.

- b.** The notice will be sent electronically with a request for acknowledgement, or delivered in person to the Dealer at the email or physical address shown on the Dealer's permit application or most recent permit renewal application, and to the pawner/Seller at the address shown in the transaction report required by Section 14B.90.080.
- c.** The notice will provide the information necessary to submit a motion for return of seized property.

(Amended by Ordinances 188976 and 191134, effective February 17, 2023.)

Dealers shall affix a tag to every item of Regulated Property, which must contain a unique, legible number. That unique number must either be the item number from the reporting system transaction record or be referenced to the Transaction Report required by the Portland Police Bureau. After the hold period has expired, the unique number must remain identifiable on the property until the sale of the property.

- A.** After the applicable hold period has expired, hand tools, or items that are sold with other like items and have no identifiable numbers or markings need not remain tagged.
- B.** After the applicable hold period has expired, items that are Remanufactured need not remain tagged.

3. To receive property that a reasonable Person under similar circumstances would believe is more likely than not stolen, except as allowed by the Administrative Rules. A later determination regarding whether or not an item is found to be stolen will not be used as a factor to determine whether a Dealer has violated this Subsection.

B. Any violation of Subsection 14B.90.120 A. is punishable, upon conviction, by a fine of not more than \$500 and a jail sentence of up to six months.

C. Notwithstanding Subsection 14B.90.120 A., a Dealer may receive property for which the Dealer has an objectively reasonable basis to believe is more likely than not stolen if the Dealer is doing so with the intention of recovering the item for a specifically identified victim. The Dealer must notify the Portland Police Bureau of the acquisition and the name of the specific Person or entity believed to be the victim by the end of the business day that the acquisition is made. Notification may be made by phone or email. An item acquired under this Subsection must be immediately placed under a 30-day Police Hold.

1. For any cause that would be grounds for denial of a permit; or
2. Upon a finding that any violation of the provisions of this Chapter, federal, state or other local law has been committed and the violation is connected with the operation of the permitted Business Location so that the Person in charge of the Business Location knew, or should reasonably have known, that violations or offenses were permitted to occur at the location by the Dealer or any Principal or employee engaged or employed in the management or operation of the Business Location; or

In addition to the information required by the OLCC application forms, the Chief of Police is authorized to require from the applicant any other pertinent information that the Chief of Police deems appropriate.

F. The Chief of Police shall coordinate with Portland Permitting & Development and the City Noise Control Officer prior to issuance of a recommendation to determine if there is substantial neighborhood concern or opposition to the application, or if there is evidence that noise is or will be a significant and persistent problem at the licensed premises.

1. If the Chief of Police finds that there are valid grounds to make an unfavorable recommendation to OLCC as provided by Oregon liquor laws, the Chief of Police shall forward an unfavorable recommendation directly to the OLCC.

2. If there is substantial neighborhood concern or opposition to the application, or there is evidence that noise is or will be a significant and persistent problem at the licensed premises, but the Chief of Police, because of time constraints or other factors, does not find sufficient basis for an unfavorable recommendation as provided by Oregon liquor laws, the Chief of Police shall forward a no endorsement recommendation directly to the OLCC, with supporting documentation of neighborhood concern or opposition and/or evidence of noise as provided by Portland Permitting & Development, and shall request that the OLCC hear testimony from the neighborhood. Portland Permitting & Development shall coordinate neighborhood testimony for OLCC hearings.

Except as provided by this Section, after having made a recommendation other than favorable on any new license application, the Chief of Police shall not reconsider an application for the same location by the same or substantially the same applicant for a period of at least 6 months, or during the period the applicant has an appeal relating to the license pending in court or in a state administrative agency, whichever is longer. However, the Chief of Police may reconsider an application in less than 6 months if no appeal relating to the license is pending in court or in a state administrative agency, and the Chief of Police reasonably determines that the circumstances which caused the Chief of Police to make a recommendation other than favorable have substantially changed.

If the Chief of Police, upon inquiry, or at the request of citizens or groups finds: that some area of the City is saturated with certain types of licensed premises selling or serving alcoholic beverages and that the placement of additional licensed premises within that area will likely be deleterious to that area; or, that excessive criminal acts, traffic congestion, or litter problems are present or will increase due in part to the licensed premises; or, additional licensed premises are not justified by public interest or convenience, then the Chief of Police shall make a recommendation to Council that the area be designated as an impact area, and that liquor licenses of certain types should not be granted or renewed in that area for a specific period of time, or until the number of current licenses is reduced to the point that licensed premises can be permitted that will not be deleterious to the area, or, will not lead to additional criminal acts, traffic congestion or litter problems, or, are justified by public interest or convenience.

B. If Council declares an area to be an impact area based upon findings that valid grounds exist as provided by Oregon liquor laws, the Chief of Police shall notify OLCC so that OLCC may ensure that liquor license applicants are put on notice of the impact area.
