If any person feels aggrieved by any such rule or regulation, the person may appeal to the Council for its amendment or repeal by filing with the City Auditor a petition which shall be presented to the Council at its next regular meeting. Until and unless amended or repealed by the Council, any rule or regulation made by the Commissioner shall be in full force and effect as if it were an ordinance.

20.04.050 Public Notification - Recreational Fields.

(Added by Ordinance 183750, effective June 4, 2010.)

A. Field permitting organizations (FPOs) are responsible for mailing a public notice to owners of residentially-zoned property within a radius of 400 feet of the site property lines, recognized neighborhood organizations within a radius of 1,000 feet of the site property lines, and existing organized sports user groups (permit holders) of the site for any of the following proposed improvements on schools, school sites or park sites that are adjacent to residential property and that do not require a (Title 33) conditional use:

1. Adding one (1) new field for organized sports use where there is current or previous (last 10 years) approved organized sports use elsewhere at the school or park site. The new field must be no more than 300 feet from the current or previous organized sports use. The addition of two (2) or more fields requires a conditional use. A new field more than 300 feet from the current or previous organized sports use requires a conditional use (see Title 33);
2. Upgrading, improving, or converting an existing recreational field for organized sports use primarily by older youth (ages 13-17) or adults (for baseball, age 10 and older), where there is no such current or previous (last 10 years) use on the subject field;
3. Bleachers or seating fixtures 210 lineal feet or smaller in size per field and less than 100 feet from an abutting residential property;
4. Concession stands 1,500 square feet or smaller in size (temporary or permanent) and within 100 feet of a residential property; or
5. Parking areas with 5 parking spaces or fewer AND within 15 feet of a residential property.

B. The notice shall describe in detail the type of improvements or change in use proposed. The notice shall include the type, size, location, and setbacks proposed for the field as well as the current (if any) and proposed sports user groups. The public notice of proposed field improvement will provide contact information for the neighbors to call or send written questions, comments, or concerns within 21 calendar days. If these written comments can be addressed to the neighbor's satisfaction, no further action is necessary. The FPO shall respond to these written comments in writing within 21 days.

C. If the FPO's written responses to the written concerns received after the public notice are not satisfactory, a public meeting can be scheduled if requested by a neighborhood association within 1,000 feet of the subject site. The request must be made within 45 calendar days of the date of the last FPO written response to comments. A Good Neighbor Agreement (GNA) may be proposed by Portland Parks and Recreation, the school district, both organizations jointly, or other appropriate FPO if there are remaining concerns after the public meeting. Neighborhood associations within 1,000 feet of the subject site may also request a GNA, in writing, within 10 calendar days of the date of the public meeting. GNAs can be linked to sports field use permits and may address a variety of compatibility issues such as:

1. Hours of use outside currently established park & school operating hours;
2. Tournament play;
3. Placement of fields, temporary portable restrooms, storage areas, etc.;

4. Screening for privacy and safety (netting and/or landscaping);
5. Noise concerns outside established noise ordinance regulations (portable music players, whistles, bullhorns, etc.);
6. Litter, loitering, and other nuisances; and
7. Parking usage.

D. The field permitting organization may require sports groups and field improvement project proponents to assist with and help pay for the preparation and distribution of the required notice.

B. When the City is not the FPO, the FPO may negotiate, execute and administer GNAs under Section 20.04.050 according to its own internal processes.

C. All GNAs, whether entered into by the City or by any other FPO, must comply with the Good Neighbor Agreement Policy adopted by Portland Parks & Recreation, including the process.

20.04.070 Completion of Field Improvements.

(Added by Ordinance 183750, effective June 4, 2010.)

If a Good Neighbor Agreement process is initiated, it must be completed or resolved before any of the proposed improvements in Section 20.04.050 A. are implemented.

20.04.080 Building Permit Applications.

(Added by Ordinance 183750, effective June 4, 2010.)

All of the steps required in Title 20 must be completed before an applicant may apply for a building permit.

Chapter 20.08 Permits

(Chapter replaced by Ordinance 173530, effective July 30, 1999.)

20.08.010 Permits Required for Park Uses.

It is unlawful for any person to conduct or participate in any activity in a Park, for which a permit is required, unless the Parks Reservation Center has issued a permit for the activity. A permit is required for any activity in a Park under any one or more of the following circumstances:

- A.** The activity is intended to involve, is reasonably likely to involve, or actually involves, as participants and/or spectators, at any one time, 150 or more persons;
- B.** The activity includes the placement of any temporary or permanent structure, including but not limited to any table, bench, stage, fence, tent or other facility in a Park. No permit is required under this Subsection for the placement of any temporary facility in an area of a Park which the Director has designated for such use without a permit;
- C.** The activity requires, or is reasonably likely to require, City services additional to those already provided to the public as a matter of course in the Park, including but not limited to: increased police or fire protection; the turning on or off of water; provision of utilities, such as gas, electricity or sewer; placing, removing, opening or closing bollards, gates or fences; or the special preparation of fields or other facilities;
- D.** The person or persons engaged in the activity seek to exclude, or to have the right to exclude, any member of the public from the activity or from any Park or from any area of any Park;
- E.** The activity is conducted in any building in any Park, except for personal use of public restrooms; or
- F.** The activity includes using the Park or Park area in a manner inconsistent with uses designated by the Director for that Park or Park area, or includes conduct that otherwise is prohibited in a Park, including, but not limited to, conducting business, charging admission or otherwise receiving payment for goods or services related to the activity, or possessing, serving or consuming alcoholic beverages.

20.08.020 Applications; Reservation Center to Promulgate Policies and Procedures.

- A.** Any person desiring a permit under Section 20.08.010 shall apply with the Parks Reservation Center. The Parks Reservation Center, subject to the Director's approval, shall establish written policies and procedures, including but not limited to fees and standard conditions, for applications and for permits. The written policies and procedures shall be available for public inspection. Every application shall state the purpose for which the Park would be used, the date and time of the proposed use, the name of the Park, and the area thereof that would be used, the anticipated number of persons who would be present and such other information relating to the contemplated use as the Parks Reservation Center may require.
- B.** The Parks Reservation Center shall issue the requested permit if a complete application complying with all adopted policies and procedures is filed and all of the following conditions are met:
 - 1.** The proposed activity is consistent with the size of the Park and any specialized purpose for which it is normally used, or for which specialized facilities have been provided;

2. The proposed activity will not have an unreasonably adverse impact, from noise, litter or traffic, on the Park or on the surrounding neighborhood;
 3. The proposed activity does not pose an unreasonable risk to public health or safety or to the physical integrity of the Park;
 4. The applicant pays all required fees and agrees to comply with all conditions of the permit;
 5. The proposed use is otherwise lawful, but nothing in this Chapter shall require the issuance of a permit for an activity otherwise prohibited by this Title;
 6. The proposed activity does not conflict with an activity already scheduled for the Park or for which a different permit already has been applied for or issued for the Park;
 7. The applicant, including any person, firm or corporation affiliated with the applicant and with the activity, has not failed to comply with conditions of any permit previously issued by the Parks Reservation Center.
- C.** The Parks Reservation Center may issue a permit for use of a Park during hours when the Park is closed if it approves the application. If the requested use does not meet the criteria of Subsection B of this Section, the Parks Reservation Center may deny the application or may impose restrictions or conditions upon the permit or issue a permit for a different date, time, Park, or Park area so as to meet such criteria. Action by the Parks Reservation Center shall be completed as quickly as reasonably possible, and, at the latest, within seven (7) days after a complete application is filed.
- D.** Any person whose application is denied or who is issued a permit other than as applied for or who objects to restrictions or conditions included in the permit may appeal the matter to the Council by filing within five days after denial or inclusion of restrictions a written notice of appeal with the City Auditor. Upon receiving such a notice the City Auditor shall within 14 days schedule the appeal on the Council Calendar for hearing by the Council. At the hearing, the Council may affirm or modify the decision of the Parks Reservation Center, as the Council may deem necessary, to meet the criteria of Subsection B of this Section.
- E.** In determining whether the criteria of Subsection B of this Section are met, no consideration shall be given to the content of any constitutionally-protected expression connected with the planned activity. No permit shall be required under this Chapter, nor any condition imposed on any permit, if requiring a permit or imposing the condition would violate rights protected by the Constitution of the United States or by the Constitution of the State of Oregon. No permit shall be required under this Chapter in order for any person to participate in any activity programmed by or sponsored by Portland Parks and Recreation.
- F.** If any portion or provision of this Section is held by a court of competent jurisdiction to be invalid, such portion or provision shall, so far as possible, be held severable, and shall not affect the remainder, which shall continue in full force and effect.

20.08.030 Permits to be Exhibited.

Any person claiming to have a permit issued under this Chapter shall produce and exhibit such permit upon the request of any authorized person who may desire to inspect the same.

20.08.040 Permits Subject to Ordinances and Regulations; Indemnification.

All permits issued under this Chapter shall be subject to the City ordinances and the rules and regulations of the Parks. The persons to whom such permits are issued shall be bound by said rules, regulations, and ordinances as fully as though the same were inserted in such permits. Any person or persons to whom such permits shall be issued shall be liable for any loss, damage, or injury sustained by any person whatever by reason of the negligence of the person or persons to whom such permit shall be issued, as well as for any breach of such rules, regulations, and ordinances, to the person or persons so suffering damages or injury, and shall indemnify, defend and hold harmless the City and its officers, employees and agents from any and all claims, demands, actions and suits (including all attorney fees and costs, through trial and on appeal) arising from the permittee's use of the Park under the permit.

20.08.050 Permits Non-Transferrable.

Any permit issued under this Title shall be personal to the permittee, and shall be void if transferred or assigned in any manner, except with the written consent of the Director or the Parks Reservation Center.

20.08.060 Prohibited Conduct at Permitted Events.

(Replaced by Ordinance 179337, effective June 15, 2005.)

In addition to any other applicable provision of law, it is unlawful for any person to engage in any of the following conduct at any event for which a permit has been issued in any Park:

- A.** Any conduct that substantially prevents any other person from viewing, hearing or meaningfully participating in the event.
- B.** Any conduct that substantially interferes with the free passage of event participants or attendees by creating an insurmountable obstacle at any entrance, aisle, walkway, stairwell, ramp, esplanade, vendor booth, ride or other area commonly used for public access, egress or ingress.
- C.** Using any facility, structure, fixture, improvement or other thing within the area covered by the permit in a manner contrary to or inconsistent with its intended, designated or safe use. This Subsection does not apply to any person engaged in any constitutionally protected expression, unless, and then only to the extent that, in connection with the expression, the person engages in conduct that amounts to misuses of things as proscribed by this Subsection.
- D.** Except as expressly provided for under the terms of the permit, lighting any fire. This prohibition does not apply to smoking devices designed for and used for smoking tobacco, in areas where such smoking is permitted.
- E.** Any sexual conduct, as defined under ORS 167.060, including but not limited to any physical manipulation or touching of a person's sexual organs through, over or under a person's clothing in an act of apparent sexual stimulation or gratification, regardless of the person's subjective intent.

F. Operating any bicycle, in-line skates, roller blades or other human-powered form of accelerated propulsion, except in such places as the permittee may provide or allow for such activities.

G. Entry into the area subject to the permit without consenting to an inspection of personal belongings for the purpose of preventing the introduction of prohibited items into the event. For purposes of this Subsection, "personal belongings" includes backpacks, duffel bags, sleeping bags, purses, coolers, bulky apparel items and other personal items large enough to conceal or contain prohibited items.

H. Bringing into or possessing within the area covered by the permit any prohibited item. For purposes of this Section, "prohibited item" includes any fireworks, laser light, laser pointer, animals of any kind (except for service animals while performing their qualifying services), sound producing or reproducing or audio or video recording equipment (except as authorized by the permittee), glass bottles or containers, alcoholic beverages (except as provided by the permittee in accordance with the permit), furniture or fixtures (except as authorized by the permittee), any thing specifically designed for and presently capable of causing, or carried with the intent to threaten or cause, bodily harm to another (except for concealed handguns lawfully carried by persons in accordance with valid concealed handgun permits), and any item whose possession violates any other applicable provision of law.

I. Entry into or remaining in any area covered by any permit for any event that is not open to the public without the consent of the permittee, or entry into or remaining in any area covered by any permit for any event that is open to the public only upon the payment of an entry fee or charge, without first paying the applicable entry fee or charge.

The prohibitions contained in this Section do not apply to conduct by any Park Officer in the performance of duty, or by any person authorized to engage in that conduct in connection with the event in accordance with the permit.

20.08.070 Non-Park Use of Park Property.

Sections 20.08.010 and 20.08.020 do not apply to non-park use of Park property. Unless authorized in writing by the Director and in accordance with the terms and conditions of said written authorization and with the Council's adopted policy for the non-park use of Park property, it is unlawful for any person to make any non-park use of Park property, including but not limited to excavating for, erecting or installing or doing any act as part of or commencement of excavation, erection, or installation for, a permanent or temporary structure or facility in or on any Park.

This Chapter prohibits conduct that unreasonably interferes with the administration and lawful uses of the Parks, by limiting or restricting uses on reasonable time, place and manner as identified within this Chapter. This Chapter is not to punish any person for prior conduct, but, rather, to provide civil and non-punitive regulations the Council finds necessary to prevent nuisances and to protect the health, welfare and safety of the public using the City's Parks. Any violation of the provisions of this Chapter is punishable in accordance with Section 1.01.140 of this Code.

To ensure compliance with rules and regulations governing the behavior, conduct or activity of users at Parks and to provide for a safe environment for the Bureau's operations, and in addition to any other remedy or right of action allowed by law, ejections and exclusions from Parks are authorized in accordance with this Section.

Nothing in this Section shall be construed to authorize the ejection or exclusion of a person for lawfully exercising free speech rights or other rights protected by the Oregon or United States Constitutions. However, a person lawfully exercising these protected rights but who commits an act that is not protected can be subject to ejection or exclusion as provided by this Section.

B. For the purposes of this Section, the following definitions apply:

1. A Park Officer shall attempt to give a person who may be subject to an ejection or exclusion under this Section an oral warning and a reasonable opportunity to stop engaging in the

Disruptive Activity or Park Violation; provided, however, failure to give an actual oral warning does not nullify the effectiveness or enforceability of an ejection or exclusion.

2. A Park Officer is not required to attempt to give an oral warning before issuing an ejection or exclusion where the behavior, conduct or activity constitutes one or more of the following:

- a.** A felony, misdemeanor, or motor vehicle offense.
- b.** A violation of Chapter 14A.40, 14A.50 or 14A.60.
- c.** Dangerous or threatening behavior. c. For 270 days if the person to be excluded for a reason described in Subsection E.2.a has also been excluded from any Parks for any reason on two or more occasions within 3 years before the date of the present exclusion.

F. Except as otherwise provided in this Subsection, the place of exclusion shall be the Park where the Disruptive Activity or Park Violation occurred.

If the Disruptive Activity or Park Violation giving rise to the exclusion occurred at a Park Facility under Subsection I. and is a violation under Subsection E.2.a.(1) or Subsection E.2.a.(2), the place of exclusion may include one or more Park Facilities.

A Park Officer may use reasonable discretion to determine multiple Park Facilities for the exclusion and that determination is not subject to appeal to the Code Hearings Officer.

G. The notice of exclusion shall be in writing and signed by the Park Officer issuing the exclusion. The notice shall include:

1. The date, length and place(s) of the exclusion.
2. Specification of whether Disruptive Activity or Park Violation serves as the basis for the exclusion, and if applicable the provision of law the person has violated.
3. A brief description of the Disruptive Activity or Park Violation.
4. Information on the right to appeal.
5. A warning of consequences for failure to comply.

H. A person receiving a notice of exclusion may appeal, in writing, to the Code Hearings Officer in accordance with the provisions of Title 22 of this Code to have the exclusion rescinded. The appeal to the Code Hearings Officer must be filed within 5 days of issuance of the notice of exclusion unless an extension is granted by the Code Hearings Officer for good cause shown.

I. If an appeal of the exclusion is timely filed under this Section, the effectiveness of the exclusion is stayed pending the outcome of the appeal except as indicated herein. If the exclusion is affirmed, the remaining period of exclusion shall be effective immediately upon the issuance of the Hearings Officer's decision, unless the Hearings Officer specifies a later effective date. The stay in this Subsection does not apply to the following Park Facilities:

J. The Code Hearings Officer shall uphold the exclusion if, upon the Code Hearings Officer's de novo review, the preponderance of evidence admissible under the provisions of Title 22 of this Code that, more likely than not, the person in fact committed the violation for which the person was excluded, and if the exclusion is otherwise in accordance with law. The Code Hearings Officer may rely upon any evidence that a reasonable person would rely upon in making an important decision or conducting personal business, including hearsay deemed reliable by the Code Hearings Officer. Sworn statements of the Park Officer issuing the notice of exclusion shall be admissible evidence on appeal, unless the appellant requests in writing the presence of the Park Officer at the appeal hearing.

K. If a person is issued a subsequent exclusion while a previous exclusion is stayed pending appeal (or pending judicial review, should a court stay the exclusion), the stayed exclusion shall be counted in determining the appropriate length of the subsequent exclusion under Subsection E. If the predicate exclusion is set aside, the term of the subsequent exclusion shall be reduced, as if the predicate exclusion had not been issued. If multiple exclusions issued to a single person are simultaneously stayed pending appeal, the effective periods of those which are affirmed shall run consecutively.

L. At any time after the time for an appeal has elapsed, or after an appeal has been decided by the Code Hearings Officer, the excluded person may request a modification of the exclusion in writing to the Commissioner.

- 1.** A request for modification of the exclusion must specify good reason and identify the modification desired.
- 2.** The Commissioner may consider the seriousness of the Disruptive Activity or Park Violation for which the person has been excluded, prior incidents of violations that may have resulted in ejections or exclusions, the nature and scope of disruption to City operations due to the person's violations, the particular need of the person to be in the Park during some or all of the period of exclusion such as for work or to attend or participate in a particular event (without regard to the content of any speech associated with that event), and any other criteria the Commissioner determines to be relevant to the determination of whether or not to grant a modification.
- 3.** The Commissioner has the sole discretion to grant or deny a request for modification of an issued exclusion, in whole or in part, and the decision is not subject to appeal or review.

4. Nothing in this Section requires the Commissioner to grant the request for modification.
