

Portland City Council Agenda  
Written Testimony - Item 747/727

Agenda Item	Name or Organization	Position	Comments	Attachment	Created
727	Marc Poris		<p>I don't have enough information to be able to support or oppose this item.</p> <p>For instance, will this particular classification be used for Portland Street Response employees who are paramedics, or only CHAT (and is it even CHAT that is being discussed here)?</p> <p>Ideally, this would be on the Regular Agenda to give the public a chance to learn what is really going on.</p>	No	08/14/24 8:14 AM
