Director's Report

1. Independent Police Review (IPR) Work Plan / Accomplishments

6/4/17 Crowd Control Policy Review

On May 31, IPR released its policy review on the Police Bureau's crowd control response to a 6/4/17 protest. During its review, IPR staff interviewed witnesses and reviewed documents. IPR recommended that the Police Bureau:

- Not use mass detentions or arrests absent a compelling governmental interest.
- Prohibit the detention of legal observers and members of the media.
- Have a transparent and comprehensive strategy to better communicate with the public prior to and during large crowd control events.
- Update intergovernmental agreements to require outside agencies to comply with the Portland Police Bureau's use of force policies during crowd control events and cooperate with the City's administrative investigation process.
- Better document its crowd control activities.
- Should not photograph individuals who have been detained but not charged with a crime absent a written policy governing the use of the photos.
