 Written Testimony - 808

Agenda Item	Name or Organization	Position	Comments	Attachment	Created
1 808	Brian Stewart - Electrify Now	Support	Please accept this grant to adopt zoning code restrictions on fossil fuel terminals and to amend the natural hazard policies in the 2035 Comprehensive Plan to provide a stronger policy foundation for these actions. This is important and urgent work that will make Portland safer and more resilient in the face of potential earthquakes and other natural disasters.	No	09/16/24 9:27 PM
2 808	Anonymous	Support	Thank you for supporting this important grant! Shawn Looney, Linnton	No	09/17/24 5:50 PM
3 808	Linnton Neighborhood Association	Support	We are delighted to enthusiastically support this action. As you know, we have been advocating for safety, environmental, and sustainability changes at the CEI Hub for a decade. Sincerely, Nancy Hiser, Linnton NA	No	09/17/24 9:03 PM
