

## **Guide to public participation in the MP2H Project Working Group (PWG) Zoom Meeting**

Thank you for your interest in MP2H. We created this document to help you get connected and prepared for the meeting.

### ***Preparing for the meeting:***

1. Test your set-up. The easiest way to make sure that you're all set for the workshop is to try out Zoom's test 'meeting' here: <http://zoom.us/test>. If your audio and video work on this test, you will be fine when you join our meeting.
2. We recommend downloading Zoom to your desktop ([Learn more about downloading Zoom](#)) so that you can make use of its full functionality. You can also download the [Zoom app](#) for easy entry into the meeting.
3. Some helpful resources from Zoom: [FAQ](#) and [Zoom Video Tutorials](#)

### ***Getting into the meeting:***

1. You can enter the meeting before it starts and will be entered into the "waiting room." You will be added into the meeting when it begins.
2. To join the meeting via phone, computer, smartphone, or tablet, go to the meeting event page and join at the link provided (each meeting link will be different due to security concerns).

### ***Public participation and comment:***

1. The public is invited to listen to the MP2H Project Working Group meetings. We will invite the public to comment in the final few minutes of the meeting.
2. You can provide public comment in this meeting in a couple ways:
  - A. At the beginning of the meeting by getting added to the public comment list, as described below. After you are added to the public comment list, the facilitator will call out names from the list and invite them to speak.
    1. **Email.** Emailing [mp2h@portlandoregon.gov](mailto:mp2h@portlandoregon.gov) before the meeting (we will then add your name to our list and call out your name during the public comment agenda item);
    2. **Chatbox.** If you are logged onto the Zoom meeting, during the first ten minutes of the meeting let us know you'd like to be added to the list by telling us in the chatbox;
    3. **Speaking up when phone lines are unmuted.** If you are joining us by phone, we will unmute the phone lines right before we begin public comment and ask folks if they'd like to be added to the list. The facilitator will then add those folks on the list and call out their name to give public comment.
  - B. Please note that the MP2H study staff welcome public input at any time via email at [mp2h@portlandoregon.gov](mailto:mp2h@portlandoregon.gov).

***Guidelines for public participation.*** *The following norms will be applied to virtual PWG meetings. Please note that meetings are open to the public, public comment during the meeting is available near the end of the meeting, the public is asked to observe and listen as the priority for these meetings are getting through PWG business, and opportunities for public engagement will be available in other forums.*

**Video:** videos will be turned on for the Committee, presenters, and facilitators. Everyone else including members of the public will have their videos turned off.

**Microphone:** members of the public will be muted unless giving public comment or during introductions.

**Follow-up:**

1. The meeting minutes will be uploaded to the meeting webpage.
2. We'll be asking for feedback on our virtual adaptation so we can learn quickly – thanks in advance for experimenting and learning together!
