Thank you Portland Police Bureau and Fred Meyer for partnering with us to take 250+ children back-to-school shopping today for our Izzy's Kid's "Shop With A Cop" program. We also want to thank Multnomah County Sheriff's Office, Milwaukie Police Department, Beaverton Police Department, Gresham Police Department, Lake Oswego Police Department, Mayor Ted Wheeler, Commissioner Carmen Rubio, Portland City Commissioner Rene Gonzalez, and TimberJoey for participating in this wonderful day of service. Big shout out to Columbia Sportswear for donating a brand-new backpack for every child who attended! We are so grateful for all of our Izzy's Kid's donors who make this event possible every year

You all need to go to Utube and watch his mother speak tonight point by point the events from day to day in the kidnapping of her son Kyron. I don't know what the Portland prosecutor is waiting for. It's obvious who is responsible for Kyron missing and it's time pressure is put on the prosecutor to bring charges. Plenty of cases are won on circumstantial evidence. COME ON PORTLAND, DO SOMETHING! People, watch the video.

I would love to be friends with the step mom just so I could get a inside scoop and find evidence of what she did to that little boy.

Lois Shaver I am just saying I think Terri is guilty and can't be charged until they find evidence. And I would help find it . Isn't that what most folks want is proof? So they can bring him home.

Stacy Wynne probably so, and I'm am sure it's been tested already. Some how, some day, one of them will slip and cover will be exposed. We can only hope and Kyron's family can rest.

Joeanne Cass it is in the book Boy Missing by Rebecca Morris. The book is about Kyron's case. There are also several excellent videos and podcasts online about the case.

Frances WatkinsWolfe we haven't. There are searches that don't make it to the public and many of us go out on our own. We want justice for Kyron.

I don't even know you...just a mom and a teacher in California. This picture haunted me for so long...still does really. It makes me so angry to think about what that witch did and how she can stay silent! Please know we think of you so often and pray you get answers.

Sweet Kyron, you are now forever a part of my heart and soul, supporting the fight for justice. But I shouldn't know this picture. I shouldn't start to weep seeing this picture as it brings up emotions in me that can never compare to what your mother must experience upon seeing it. We will never give up.

Praying for justice for kyron and answers for closure for his mama and family, my heart hurts for his mama and family

I love Ky but I hate this pic because of that evil who took it for her alibi and because this is his last pic! After that she took him and his life! Teri and dede, I promise you will pay for this!!! I will be watching those demons and parasites EAT your pathetic souls! They are waiting for you already since that day just after you killed a child!

Beth Belkey I think a lot of the areas searched were kept under wraps so that if he's actually deceased she couldn't go and move the body to another location to prevent him from being found!

Janice Hubbard why are you so defensive about her comment... do you know Teri? Do you know Dede? What or who do you know?

Beth Ann Shaw personally don't know anyone involved. I wasn't defensive. Asking a logical question. Do you have evidence? I personally don't like how the LE handled his case. To much focus on gossip and one person. I don't know if Terri did it, had it done, or no involvement but my gut tells me school personnel was involved and LE messed up by not following through with teachers and staff and outside vendors who were there that day.

Janice Hubbard what's your proof the school and teachers were involved? You sound ridiculous and trying to distract from step mom..

Beth Ann Shaw I have none and as I said just a gut reaction to what LE did and didn't do from everything I've read. Yes I guess in a way I am defending Terri because first had there been evidence yes evidence LE would have arrested her. With little to go on, I would think they would investigate other people, which they did not thoroughly do. Secondly things aren't always what they seem. I don't think anyone should be badmouthing anyone. I'm sure the LE are the only ones with ALL the information that they investigated.

Janice Hubbard I understand if it may seem like there is no evidence, the general public would be unaware of what evidence and information has been discovered by law enforcement. They will keep everything tight so the case isn't compromised and when the charges are brought forward they stick. Although we don't have Kyron home yet, Multnomah County Sheriff's Office is committed to justice for Kyron, they have never given up!

Missing Kyron Horman that's good. It seems to me there were lost opportunities. And I am extremely suspicious because of the timing, of school personnel and outside vendors. They knew in advance, had experienced an event or two before this one. The timing would be an inside job. Well I'm hoping he is found and brought home. I have followed and prayed a lot over this sweet young boy. But I remain in my belief that LE lost some opportunities and they need to start over. There has to be something.

We all know Terry is guilty. Maybe draw a circle around the school and have that circle be as wide as it would have taken Terry to drive somewhere and return. Then search in that circle. Maybe invest in a cadaver dog so you always have it available? I just wish we could find the little man and bring him home and charge Terry and anyone else that is associated to it. I feel like enough isn't being done.

Tina Thompson I agree, they don't do enough. Current DA is a POS and does nothing, but we rely on next one in January. He promises to fight for Ky! Searches are happening but I still don't think it's enough and not sure if those chosen places to search are even close to that place where Ky is buried. I sent the information to a volunteer and she shared with the detective and Ky mom      Soon... it's coming

I'm working from home today and just re  
watched talk with Doug Bishop. I would  
love to be there when they arrest her,  
it would be worth the flight (and I dnt  
fly well) and money to see her in Hand  
cuffs. They will never stop Kyron,  
xoxoxo

In July, 2022, OCHA received a letter from a concerned community member, Nina Gallo, noting the lack of education and appreciation around the Bracero Program which greatly benefited the U.S. economy during a great labor shortage. Then Chair Melina Moran took action and, with Rep Ricki Ruiz as the Chief Sponsor, House Bill 2955 passed with bipartisan support, designating August 4th as Bracero Program Day in Oregon!

On Friday, #OCHA was proud to host our first ever Bracero Program Day Celebration!

We were joined by Carlos Quesnel, the Consulate General of Mexico, Congresswoman Andrea Salinas, and of course the guest of honor, Angel Guerrero.

Thank you everyone who made this a great event. A special thank you, to our partners, the Oregon Historical Society, for hosting us in your space, Gresham Historical Society, Huecha Omeyocan for the opening dance, and OACO's Health Equity team. This event could not have been a success without your partnerships.

Ridiculous that this boy hasn't been found. Absolutely ridiculous!!! With all the agencies working on this for so long and to think that those two parasites are being allowed to plead the 5th and get away with this is just mind blowing. I cannot believe that there aren't detectives and prosecutors who can find some way to get around this BS is so disheartening. I can't say what I would like to here on this platform but I tell you considering this entire situation and at least circumstantial evidence I just can not get over that this b...h has been allowed to live a free life all these years when it's so obvious that she and her "friend" instigated this entire thing and played it out just boggles my mind. As soon as she pled the 5th and wouldn't talk anymore proves her guilt!!! I just don't know what this world is coming to. Many prayers and much love for Kyron and Desiree.

Laurie Whittaker only DeDe pled the 5th and received immunity, that was a huge mistake on the Multnomah County District Attorney's Office of the time. Terri never pled the 5th or received immunity. She just walked away from her daughter to remain silent about Kyron's case.

Mary Seaton Yes I heard about her not being able to see her child but I thought she pled. Then I REALLY DON'T UNDERSTAND WHAT'S GOING ON. Why is she walking around free, because they don't have a body? I hate to be so blunt and I don't mean to offend anyone. I hope with all my heart that Kyron is still with us. Alot of people have been convicted with just circumstantial evidence but apparently these detectives and prosecutors don't think they have enough to even get an indictment. I think it's really sad. I know different detectives have looked at this case over the years but I think this needs even a newer set of eyes on it. There has to be a mistake these two broads (yes I called them broads people) believe me it's a lot nicer than the words I want to use, made somewhere. Terry is obviously an idiot, and a dangerous one at that for thinking that she wouldn't be looked at when this horrendous thing happened. Well I am very angry so I better stop now. Goodnight. Many prayers and much love for Kyron and Desiree always.

There has to be an Answer To This Injustice that was put upon this child!! The Woman knows what happened! Children just don't disappear into thin air!!! The Woman and Her Friend Will Stand Before God and Will Definitely Give Their Reasoning As To Why They Hurt This Child and They Will Pay For It!!! It Will Be Either Here Or On The Other Side Of The Fence!!! I Pray They Are So Bothered By Their Own Guilt That They Come To The Knowledge Of The Truth and Explain Exactly What Happened That June Day!! . #JusticeforKyron!!!

There's that infectious smile. Kyron you have people all over the world wanting you home, and the strongest of people who will never give up on bringing you home and will stop at nothing. And to one of the most hated females, don't worry the people in prison are just waiting for you to come join them real soon. #JusticeforKyron

All these years, all these pictures  
just break my heart. I've never met you  
or your family but I feel like I am a  
member. Life can be so unfair sweet boy  
but I pray everyday for you and your  
family. You will be found. NEVER GIVING  
UP HOPE. Faith, hope and love forever!

I don't really believe in the age

I listened to a Dr. Phil documentary special on Spotify on this.. I've known about this case since it happened (I live in the Vancouver, WA area) but listening to that how can we not see it was the stepmom, Terri and why isn't she being charged for his disappearance yet....

I watched someone doing a drive from Kaine and Terri's place to the school and everywhere else she went and stopped on that awful day. I have such a better understanding of how hard the search is. I never realised just how much bush surrounds you. I cannot help in any searches as I live so far away but can I donate to help with the search at any time, or is it only at planned events, and how can I do this as I do not live in America to have access to Venmo. Thankyou

Patty Schild she will be speaking here in Portland at the end of August at a missing persons seminar. It is a three day event.

Patty Schild because his dad doesn't really do anything. Only mom met with new DA, found new evidences etc

Patty Schild because she hasn't given up!

Jennifer Evans ... that doesn't explain why this page doesn't post photos of Kyron and his dad. I'm quite certain Kyron loved his dad and his dad was the primary caregiver. The photos are just always with mom.

Patty Schild Kaine is responsible for bringing the evil ex step monster into their lives! He likely feels guilty about that and that he wouldn't let Kyron go home to his mom and Tony's.

Patty Schild He was not the primary care giver, neither parent was. They shared custody and he broke the custody agreement and wouldn't return Kyron to Desiree and Tony even though he was required to and everyone including Kyron wanted him to go back to his mom's. Kaine wouldn't allow him to!

Patty Schild did watch new interview with Kyrons mom? She explained who Kaine is. Watch: <https://youtu.be/NJY-ZilBd48?si=-2YBV6KlRVRdhpGT> He cheated on her, he is the one who brought evil in his son life and he is one of the reason why Ky is not here anymore So Desiree has the right not to post his pics on her page!

Patty Schild his mom's friends and supporters with Desiree's blessing created this page for Kyron. It wasn't a hateful question to ask about the photos of Kyron with Kaine. Kaine probably does his own things for Kyron although I don't ever see anything in the news that he does and I am not sure he does anything, whenever his mom holds a fundraiser it's all over our local news. They are divorced and went through a situation no parent should endure. I think everyone wishes his dad would be out there more and searching for Kyron like his mom does but the truth is he isn't. It is kind of bizarre and sad that he doesn't put much effort out. He knows the truth deep down like we all do. Terri and DeDe are responsible for Kyron's disappearance, and he must be feeling extreme guilt he brought that monster into Kyron's life and failed to protect him just to have control over the custody battles.

We were so glad to join Habitat for Humanity Portland Region, along with Congresswoman Suzanne Bonamici, Commissioner Carmen Rubio, Metro, and Oregon Housing and Community Services to celebrate the site kickoff of Gooseberry Trails, a 53-unit affordable homeownership development in Hillsdale for families making up to 80% Area Median Income (AMI).

Gooseberry Trails will include 45 3, 4, and 5-bedroom homes, including 5 ADA-accessible, single-story homes. These homes will remain permanently affordable when re-sold thanks to a land trust partnership with Proud Ground. 40% of the 5-acre site will remain as shared green space, and the homes will be constructed with state-of-the-art energy efficient design.

This project was made possible thanks to funding from the voter-approved Metro Housing Bond, which is on track to bring 1,776 affordable online all across Portland, with hundreds more to be announced soon. Thank you to Metro-area voters for investing in affordable homes!

What a great crowd at the Gooseberry Trails site celebration this afternoon! Special thanks to U.S. Rep. Suzanne Bonamici, Portland Commissioner Carmen Rubio, Oregon Housing and Community Services Director Keeble Giscombe, Metro Regional Housing Director Patricia Rojas, and Portland Housing Bureau Director Helmi Hisserich! Once completed, these 52, affordable, energy-efficient homes will open doors to many individuals and families for years to come! Thank you! #AffordableHousing shared a photo

Dorothy Jeanne Not enough proof! Only  
circumstantial evidence and IF she were  
to be found not guilty somehow she  
couldn't be tried again due to double

Heather Barker I think it's about ready to take that chance since it's been how many years 10+ Well they haven't dug deep enough. They have not done a good investigation . they know she did it . we know she did it . she knows she did it and meanwhile evil walks the streets while this poor baby is gone . Did you by any chance see when this very first happened and they were having kind of a little press conference and she stood there looking between her fingers to see if anybody was looking at her poor pitiful act. That right there told me you did it. And who else come on this child did not get kidnapped out of his school no way in hell. Doesn't take a rocket scientist to figure that out

Is there a suspected area where they think Terri took him? Can they do another search? Is there a way to "x-ray" the grounds, so to speak? Praying for closure for Kyron and his mama.
