From the last known photo taken to the last progression-aged photo released. Some days the anger just boils to the top. You were just a seven-year-old little boy. You didn't deserve this. We will never give up until you are home where you belong. Justice for Kyron Horman.

Jeanette Ellis the dad was not involved in his disappearance, just the step monster and her best friend DeDe.

Jeanette Ellis that is incorrect. They did an initial search of the property which was part of the case protocol but he has not let anyone else onto the property to search it. So no private searches have happened.

Jeanette Ellis what Kyron's dad has done for the last 14 is baffling. He must be dealing with incredible guilt for bringing that bit\$h into Kyron's home. I wonder what horrors Kyron must have suffered when his dad was out of town, which happened frequently. His momma has never let Kyron's case leave the public eye. She changed her life to help other families going through what her family has gone through. If they had a search warrant they can search his property again, but they searched it once and he doesn't have to allow them back, unfortunately, and he hasn't. Private searchers have wanted to go on the property, and he has not allowed them.

The Pumpkin Patch on Sauvie Island was so different this year. The field was amazing. Maybe it was because we came earlier than usual. LOVED seeing the field like this. I bet you would love it too, Kyron.

Peggy Deeter from Desiree's' last speech: Terri put everything in writing and they have tons of evidence. She hated Kaine and Kyron. Dede tossed the burner phones that she used to communicate with Terri and later reveled their location Dede was offered full immunity by the DA Evidence was found on those burner phones that Dede did it for Terri. Photos were on those phones There was a picture of IT and they don't know where the picture was taken Question to Desiree - "A picture of Kyron after he left the school?" - Answer: "Yes" There is physical DNA evidence found in the bed of the truck There were items missing from the house that were used Terri had an injury on her leg the day Kyron disappeared The bus driver saw Terri & Kyron walking out of the school Motive for taking Kyron was to hurt Kaine because he cheated on her and to hurt Desiree Terri is a sociopath and her son James is the same way. He has made threats in which law enforcement needed to be involved In the past, Terri tried to kill her parents by burning down their house. She was never charged She tried several times to have Kaine murdered and also tried to have a old boyfriend murdered Questions that Terri failed on her lie detector test: Were you involved in Kyron's disappeared? Were you with Kyron after 8:45?

Heather Barker actually Mike Schmidt has only been the DA of Multnomah County since July 31, 2020. It was Rod Underhill that screwed over the case, his predecessor. Schmidt inherited a bunch of issues from Underhill that he couldn't recover from. Mike Schmidt was only the DA for four years. Vasquez takes over in January. He has made promises he needs to keep. Only time will tell.

Mary Seaton Schmidt has done nothing but lie to Desiree from the day he took office! Watch the videos of Desiree at the true crime fest at the end of August. She's the one who said that Schmidt has done nothing for this case or her! I listened to her talk. Have you?

Heather Barker ok.

Mary Seaton Watch the videos shared by Kyron Horman Case Revisited Discussions and Kyron Horman's World Soldiers from the NW True Crime Fest from the last weekend in August. Desiree and Rebecca Morris who wrote about Kyron. They both spoke extensively about his disappearance!

Heather Barker thank you. Yes I know and I watch various videos. I also volunteer at the car washes and searches. Stacey is a friend of mine. I also do other volunteer work for the family and Kyron daily. Thank you for supporting Kyron and his family.

Mary Seaton Of course! We need to find him whether dead or alive he needs to come home!

Heather Barker they have gotten away with this for way too long. Kyron deserves justice and to be with his family where he belongs. I do not feel he is alive, and he was gone the very first day. I want those two to go to prison where they belong. We are here to keep Kyron in the public's eyes, so the pressure is always on them. Stacey does an amazing job on her page but please remember that we are separate pages working together for Kyron and each page has a different style of support. Just because we don't share some of the things Kyron Horman's World Soldiers doesn't mean we don't share some of the same sentiments on this page. This page just has a different way of presenting Kyron's case. Trying to keep it postive for Kyron.

Mary Seaton Why are you telling me this? I know that all 3 of the Kyron pages that I follow or belong to are different but have one goal and that's finding Kyron wherever he is dead or alive. If he's dead then his mom, dad, Tony and his half siblings deserve to know where they buried him and if by some miracle they gave or sold him to someone they deserve to know who and where.

Heather Barker it just sounded like you didn't think I had any knowledge of the situation. I did see Desiree's video. She did a great job. I would have been there but we had Covid going around and it wasn't possible. I am also a bit grumpy lately and I may have read more into what you were saying than was there. Sorry about that.

Heather Barker Rod Underhill was the original botcher. He gave DeDe Spicher full immunity in 2013 instead of partial immunity. Mike Schmidt took office in 2020. He had nothing to do with Kyron's case until then because he was not assigned to it. Vasquez could do nothing about Kyron's case as well because he was not assigned to it. I do not know why Mike Schmidt would not meet with Desiree. I would love to know. I really do hope that Vasquez honors his promises to Desiree. I have seen way too many politicians make promises just to get votes then they never follow through. I keep the pressure on our city officials and those coming up for elections that could influence Kyron's case such as our mayor daily for Kyron. Besides keeping the pressure on Terri and DeDe we also need to keep the pressure on the new DA.

Heather Barker there were two more actually. Mike Shrunk, Rod Underhill and then Mike Schmidt. Vaquez will make number four since Kyron disappeared. I just hope Vasquez isn't yanking our chains, so to speak. I wasn't thrilled with him as a candidate.

Heather Barker absolutely!! I am very skeptical of politicians. I follow ALOT of politics and I have learned to listen and especially do research on where their money comes from. I really didn't like his donors much and Vasquez's money was questionable to me. Like you said he better step up. Enough of politics though. Have a good rest of your day.

Philp Goügh The effectiveness of picketing her house is because she knows exactly what happened to Kyron and has done nothing but lie from the beginning! It's to remind her that she failed 2 lie detector tests and walked out on a third. They are reminding her of an innocent little boy whose life she destroyed along with her bestie Deedles. She hated Kaine and Desiree so she took the one thing that mattered the most to them Kyron! The Wicked Witch of the West is a lying sociopath, adulteress, verbally abusive evil witch!

Philip Göugh I am the owner of Kyron Horman's World Soldiers. I'm also sorry to hear you were blocked. I don't mind unblocking you, and I don't know why I blocked you. I will block if there is any drama. I just don't have time for that. Thank you.

Of course. Portlanders would certainly elect another incompetent fringe-left clown because the one they've had for what, 8 years? Has worked out so well. Commissioner Carmen Rubio Carmen Rubio

PRAYING FOR KYRON.

Sep 18 2024 07:18 PM

If you ever visit Seaside, Oregon there is a store called Oregon & More "Seaside Jerky Store" and they have had Kyron's flier in their store front window for YEARS!! Now there is a smaller one with it. We appreciate them showing such amazing support for Kyron and his family. If you have a chance to stop by their store and thank them, please do!!

Diane DeMars he is still missing. 14 years now. Hopefully his step monster Terri will talk soon and tell us where she put him, along with DeDe. We are so tired of waiting. It's no coincidence the reward hasn't been claimed. Only those two can claim it.

What have you done for all these years.  
What have you achieved? Mostly why  
won't your step-mother tell us where  
you are?

I don't believe in psychics and things like that but I've had two friends who got great answers from Tyler Henry? I've watched some of his YouTube and I've seen his show. Has anybody thought of reaching out to anybody like that? Just to know whether he's crossed over or if he's still here at this point I would use every Tool out there.

Susie Ballard There is a channel on youtube called Shiver paranormal documentaries. Stories featuring interviews with LE and psychics who helped solve dead end cases. Many cases. There are a lot of fakes out there for sure, but there are also people who have a genuine gift to see things and hear things as well. Red flag if they charge you, especially to find a missing person/child.

Did anyone read this book? Is it according to true testimonies verified by police? I want to read, but I want to read someone's book that is written from a neutral standpoint.

Elaine Høymo this book was written with the insight and approval from Kyron's momma Desiree. It is a truthful and factual account of Kyron's case as it was when the book was written.

One article mentioned that Kyron has a triangular birthmark on his forehead. Nothing specific about what part of his forehead or what size it is. So I came to this page looking for it, but I don't see anything that clearly looks like a birthmark. When I try to enlarge images, they jusy get fuzzier. Can anyone point it out?

Facebook User  
Sep 13 2024 02:01 PM

LauraLee Ogan if I am not mistaken, it is the type of red birthmark that only appears at times when he would be crying or excited and flush. When he was upset, per his mother Desiree in interviews. Unfortunately, all the photos of Kyron stop the day he disappeared.

Last week we celebrated the listing of Erv Lind Field on the National Register of Historic Places for its significant contributions to women's sports history and to the LGBTQ+ community.

Special thank you to all who came out to celebrate, especially Congressman Earl Blumenauer, First Lady Aimee Kotek Wilson, Commissioner Carmen Rubio, Commissioner Dan Ryan, Kristen Minor who prepared the nomination, and Fern Wilgus who contributed stories of the Erv Lind Florists softball team and Portland softball legend Betty Evans Grayson, and to Portland Parks & Recreation Director Adena Long for serving as event emcee. And a very special thank you to Rose City Softball Association for celebrating the achievement with a commemorative game.

I couldn't imagine losing my son. This  
just completely breaks my heart and I  
feel devastated for his parents.  
However, for the monster that did this  
if we the people don't find you first  
God will and your punishment will last  
forever. Kyron, if you ever read this I  
won't stop looking for you.

Praying for answers for your family! We live in North Portland, my oldest son is about the same age. This hit home all those years ago and still does because my son was a bonus child for me. I love him so much and can't imagine how Kyrons Mother makes it through each day. And as a "stepmother" I can't imagine not loving them just as much as those we birthed. He is mine too.

At the Field! Restore Oregon cheered on the celebration event at Erv Lind Field today.

The plaque designating its listing in the National Register of Historic Places - NPS was unveiled today!

Pitches and games were played and dreams came true to honor these important untold stories. This is the 3rd designation for LGBTQ+ history in Portland, elevating the history and significance of outdoor spaces and women history as well.

I was honored to join Congressman Blumenauer, First Lady Aimee Kotek Wilson, and Commissioner Rubio today for a deeply moving ceremony placing Erv Lind Field on the National Register of Historic Places. The designation highlights the field's role in the history of the LGBTQ+ community in Portland. It was a pleasure to hear from Fern Wilgus who played ball and won trophies on the Erv Lind Field—thank you to the Rose City Softball Association, Oregon’s largest LGBTQ+ sports organization

The System failed you Kyron, I'm so sorry Terri and Dede are not being held responsible for what they did to you, I'm so Sorry your Mommy and Daddy have been advocating to find you for years but no one will listen, I'm Sorry you are not here with your Mommy, Daddy and Brother, There are so, so many more times I can say I'm sorry but that won't change anything, Terri and Dede are still out there not being accountable for you my heart hurts for all of your family, Prayers you will be found Kyron

It's sad that the guilty walk free!

Attorney and Investigator <https://www.coldcasefoundation.org/billy-little-jr.html>

Dino Celestino This isn't a cold case though

Heather Barker I understand. This is the one link I found on this attorney/investigator who has made progress in an ongoing case of 3 years in Lenawee County.

Dino Celestino Multnomah County has elected a new DA who starts in January and has already agreed to meet with Desiree and to hopefully get this case solved!

We had an amazing turn out of brands, makers, and enthusiasts to our first annual Knife Maker Showcase this past weekend. Hundreds came out to engage with our thriving knife making community including Leatherman Benchmade Knife Company Gerber Gear and C.R.K.T. as well as local blacksmith Bridgetown Forge , local distillers Westward Whiskey , as well as local food from Taco Gang PDX and Rangoon Bistro

We were also honored collectively by the City of Portland's Commissioner Carmen Rubio officially marking August 24 "Portland Day of Excellence In Knife Manufacturing". It is truly a celebration of community and craft to be able to unite so many highly regarded brands over the passion we share for building great tools in a great city.

Thanks to all who joined and we look forward to celebrating again with you next year.

From Kyron's pictures, I can tell he has been well-loved. He is adorable and always a sweet smile and a twinkle in his eye. Such a happy child. I hope he comes back to you soon so you can wrap him in your arms and kiss his sweet cheeks.

I hope, those that know, will come out  
with the truth, now. If not here on  
earth, it will be in front of our  
Maker. It's not right that this  
wonderful family has to suffer.
