A robust free press is crucial to the success of our governing institutions, & to rooting out the systemic injustices underlying yesterday's decision. While there are details yet to learn, the attack yesterday on [@KATUNews](#)'s crew is both wrong & counterproductive.

Over the next week, our Urban Forestry Team (and many others) will be working hard to clean up the debris. Thanks for your work, clean-up crews, and please be patient and cautious as crews occupy our sidewalks and roads. [twitter.com/PDXParksandRec...](https://twitter.com/PDXParksandRec)

.[@PDXParksandRec](https://twitter.com/PDXParksandRec) crews in our Urban Forestry division have responded to 34 tree emergencies citywide as of 3:45pm today. We thank them for helping keep Portland safe, and keep us moving. Their first priority is to clear major roads so emergency vehicles can pass. pic.twitter.com/5abP5CWM7Q

Encountering art-especially music-remotely during COVID has underscored how much art helps us: - recognize our humanity & our collective experience - reinforce our communities, and create new ones - celebrate/grieve/heal
