Mr. Bill Naito
Norcrest China
55 W. Burnside
Portland, Oregon

Dear Mr. Naito:

We have made a preliminary estimate for an overhead interior illuminated crosswalk sign.

Cost for the installation should not exceed \$2,500.

It is our understanding that this crossing is to be located at the southerly most access point to McCormick Dock.

If you have any further questions, please call.

Sincerely,

M. J. Martini
Sr. Engineer
