PBOT Guidance Document

Right of way information:

PBOT's responses to Google's proposed standards:

- PBOT's Google Fiber Response pdf (uploaded)
- The color designations mean the following:
 - *Red* - These items are a non-starter and cannot be compromised.
 - *Yellow* - These items do not match the Google desire found in the Google Checklist, but are areas that be discussed or approved with some requirements/considerations.
 - *Green* - These are items that we agree with the Google desire and are acceptable.

Bureau of Transportation Street Opening Permit Application Instructions:

- PBOT Utility Street Opening Permits Application Instructions (uploaded)

Bureau of Transportation Standard Drawings:

- <http://www.portlandoregon.gov/transportation/article/288576>
- P-509 is not on the Standard Drawings Weblink and is available as a separate document: PBOT P-509_CoreHoleRest (uploaded)
