**ORDINANCE No.**

An Ordinance authorizing the Mayor and Auditor to execute an intergovernmental agreement with Multnomah County to provide for the orderly transition of police services, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland (City) adopted an Urban Services Policy which provides for the establishment of an Urban Services Boundary and establishes the City's role as the principal provider of municipal services within that Boundary (Resolution 33327).
2. Multnomah County (County) adopted Resolution A which requires the County to phase out the provision of municipal services.
3. To implement the Urban Services Policy and Resolution A, it is necessary for the City and County to enter into intergovernmental agreements to provide for a coordinated phase-in of City urban services and the County's gradual reduction of municipal services.
4. Pursuant to City Charter Sections 1-101, 1-102, 2-105, and 13-201 and ORS Chapter 190, the City has the authority to enter into an intergovernmental agreement with the County in order to further economy and efficiency in local government.

NOW, THEREFORE, the Council directs:

- a. The Mayor and Auditor are hereby authorized and directed to execute an agreement with Multnomah County to provide for the transition of police services, said agreement to be substantially in conformance with Exhibit A, attached and by reference made a part of this ordinance.

Section 2. The Council declares that an emergency exists because there should be no delay in the transition of municipal services in areas annexed to the City; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
