An Ordinance authorizing the Purchasing Agent to call for bids to furnish materials and labor for construction of the Cherry Park Wastewater Pumping Station for the Bureau of Environmental Services; authorizing a contract, subject to Environmental Protection Agency approval; authorizing the drawing and delivery of warrants and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Environmental Services requires the furnishing of materials and labor for the construction of the Cherry Park Wastewater Pumping Station Project.

NOW, THEREFORE, the Council directs:

- a. The Purchasing Agent shall advertise for bids using plans and specifications filed in his office.
- b. The Commissioner of Public Works and the Auditor are authorized to execute a contract with the lowest responsible bidder, subject to Environmental Protection Agency approval, for the project described in Section 1 hereof, in accordance with the Plans and Specifications filed with the Purchasing Agent.
- c. The Mayor and the Auditor hereby are authorized to draw and deliver warrants chargeable to the 1986-87 Sewage Construction Fund Budget, when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because a delay in proceeding with this project could delay completion of the project on schedule with associated sewer projects; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
