

ORDINANCE NO. 158895

An Ordinance amending Section 25.05.060 of Chapter 25.05, Permits, of Title 25, of the Code of the City so as to increase the fees charged for plumbing permits effective August 18, 1986, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds that:

1. Section 25.05.060 of the Code of the City of Portland, Oregon specifies the fees to be charged for the plumbing permits required by Chapter 25.05 of the City Code.
2. The plumbing code enforcement program fees generate only 60% of the costs to operate the program.
3. The fees currently charged for plumbing permits are not adequate to cover the costs incurred by the City in enforcing the requirements of Title 25 of the Code of the City of Portland, and, consequently, they should be increased.
4. It would be a benefit to the plumbing industry if the City of Portland plumbing fee schedule were as consistent as possible with Multnomah County and the State of Oregon fee schedules.

Now, THEREFORE, the Council directs:

- a. That Sections 25.05.040 (7)A and 25.05.060 (5) through 25.05.060 (16) of Chapter 25.05, Permits, of Title 25 of the Code of the City of Portland, Oregon, be repealed.
- b. That the title of Section 25.05.040 be amended to read Plumbing Plan [Examining Fees] Examination.
- c. That Section 25.05.060 of Chapter 25.05, Permits, of Title 25 of the Code of the City of Portland, Oregon, be amended and that said section shall hereafter read as follows:
